Riot After Riot Paperback:

Riot After Riot M. J. Akbar, 1991 **Riots, Civil and Criminal Disorders** United States. Congress. Senate. Committee on Government Operations. Permanent Subcommittee on Investigations, 1968 Rumors, Race, and Riots Terry Ann Knopf, 1975-01-01 Are race related rumors rooted in the personality traits of the individual Are they a kind of improvised news for a community Do they come and go at random or form definite recognizable patterns What role do the news media play in spreading rumors These and other questions are treated in this classic study now available in paperback with a new introduction by the author of how and why rumors emerge in connection with racial disorders Included is an examination and critique of the three major models of rumor formation the psychological approach emphasizing the emotional needs and drives of the individual the functional approach which views rumors as a form of improvised news and the conspiratorial approach which sees rumors as deliberately planted and not spontaneous The author's process model of rumor formation is based on the premise that rumors cannot cause violence and that violence cannot cause rumors Both are viewed as parts of the same process Rumors are seen as just one of a series of determinants each of which increases the likelihood of a collective outburst Among the determinants examined are conditions of stress a rigid social structure supported by a racist ideology and a hostile belief system or negative set of generalized perceptions held separately by different groups Race related rumors are functionally tied to the latter point and crystallize confirm and intensify these beliefs by linking them to actual events Hundreds of pertinent rumors are documented from local newspapers and investigative accounts An exhaustive systematic inquiry is made into the series of disorders that occurred between 1967 and 1970 The role played by rumors during these disturbing times is examined and compared to earlier periods of unrest Implications for public policy are explored along with a hard look at rumor control centers The influence of the police and other public officials as well as the news media are treated extensively since they play a big part in fostering a grapevine in the white suburbs similar to the one found in the inner cities Terry Ann Knopf teaches arts and media criticism at Boston University's Journalism Department Earlier she worked as a TV critic for the Miami Herald and the Patriot Ledger and was also a correspondent at the Boston Globe specializing in the arts and media **Riots, Civil and Criminal Disorders** United States. Congress. Senate.

Committee on Government Operations. Permanent Subcommittee on Investigations, 1967 **Masculinity in Lesbian "Pulp" Fiction** Paul Thompson, 2024-06-28 This book looks specifically and in depth for the first time at masculinity in cheap lesbian themed paperbacks of the two decades after WW2 It challenges established critical assumptions about the readership and sets the masculinity imagined in these novels against the masculinity crisis of the era in which they were written The key issue of these novels is couplehood as much as sexuality and the instability of masculinity leads to the instability of the couple Thompson coins the term heteroemulative to describe the struggle that both heterosexual and homosexual couples have in conforming to heteronormativity As several of these novels have been republished and remain in print they have taken on a

new relevance to issues of sexuality and gender in the twentyfirst century and this study will attract readers within that area of interest A valuable read for sociologists studying gender roles and social historians of the cold war period in the United States It is suitable for readers of all academic levels from undergraduate through postgraduate to scholars and researchers but also for a general readership

Abdus Salam, a Biography Jagjit Singh,1992 Biography of a physicist from Pakistan **British Book News** ,1989 [Americans Against the City](#) Steven Conn,2014 It is a paradox of American life that we are a highly urbanized nation filled with people deeply ambivalent about urban life In this provocative and sweeping book historian Steven Conn explores the anti urban impulse across the 20th

century and examines how those ideas have shaped the places Americans have lived and worked and how they have shaped the anti government politics of the New Right **Black Print with a White Carnation** Amy Helene Forss,2014-01-01

Mildred Dee Brown 1905-89 was the cofounder of Nebraska's Omaha Star the longest running black newspaper founded by an African American woman in the United States Known for her trademark white carnation corsage Brown was the matriarch of Omaha's Near North Side a historically black part of town and an iconic city leader Her remarkable life a product of the Reconstruction era and Jim Crow reflects a larger American history that includes the Great Migration the Red Scare of the post World War era civil rights and black power movements desegregation and urban renewal Within the context of African American and women's history studies Amy Helene Forss's *Black Print with a White Carnation* examines the impact of the black press through the narrative of Brown's life and work Forss draws on more than 150 oral histories numerous black newspapers and government documents to illuminate African American history during the political and social upheaval of the twentieth century During Brown's fifty one year tenure the Omaha Star became a channel of communication between black and white residents of the city as well as an arena for positive weekly news in the black community Brown and her newspaper led successful challenges to racial discrimination unfair employment practices restrictive housing covenants and a segregated public school system placing the woman with the white carnation at the center of America's changing racial landscape Communal Violence, Forced Migration and the State Sanjeevini Badigar Lokhande,2016-10-13

When violence occurs in democracies it is often characterized as an aberration The state that saw human rights violations and failure of law and order in Gujarat in 2002 emerged even if by its own admission as a model for good governance *Communal Violence Forced Migration and the State* through an account of displaced Muslims challenges this notion Through the unlikely yet probing lens of displacement it offers fresh insight into communal violence and is an important resource for the emerging domain of forced migration and the changing nature of the state in a globalized world **Kimmel Revisited** Robert James

When Men Revolt and Why Harold J. Bershad, 2020-03-26 The environment within which humans interact has changed dramatically since the Industrial Revolution However their expectations stem from the same hopes and dreams people have had from the beginning of humankind When Men Revolt and Why encourages readers to look closer and more deeply into the relationships between humans and the institutions that have originated to help them realize their full potential The contributors not only examine people but also the need to change institutions that have outworn their usefulness When institutions inhibit rather than facilitate everyone's desire to live a full life the result is likely to be violence This book offers the ideas of many people who have tried to dig deeper into basic causes of violence Included in this volume are selections by Aristotle Tocqueville Marx and Engels and Brinton The ideas they espoused still hold vitality In his new introduction James Davies talks about the circumstances under which this book was originally published In Vietnam a people were fighting for their autonomy In the United States many Americans were protesting against American involvement in the Vietnam War Blacks were marching for their civil rights Women were fighting for equality Time has tempered these conflicts Davies maintains that we remain ignorant of the elemental forces that impel people and nations to resort to violence We are usually surprised by their anger and shocked by their violence Davies asserts that we need to learn more about how humans respond to change so as to prepare ourselves for such responses to change When Men Revolt and Why is as timely as ever as we deal with uncertainty in various areas of the world the former Yugoslavia the Middle East and Ireland among others It is especially pertinent for political scientists historians and sociologists

All About the Story Leonard Downie Jr, 2020-09-22 At a time when the role of journalism is especially critical the former executive editor of the Washington Post writes about his nearly fifty years at the newspaper and the importance of getting at the truth In 1964 as a twenty two year old Ohio State graduate with working class Cleveland roots and a family to support Len Downie landed an internship with the Washington Post He would become a pioneering investigative reporter news editor foreign correspondent and managing editor before succeeding the legendary Ben Bradlee as executive editor Downie's leadership style differed from Bradlee's but he played an equally important role over more than four decades in making the Post one of the world's leading news organizations He was one of the editors on the historic Watergate story and drove coverage of the impeachment of President Bill Clinton He wrestled with the Unabomber's threat to kill more people unless the Post published a rambling 30 000 word manifesto and he published important national security stories in defiance of presidents and top officials He managed the Post's ascendancy to the pinnacle of influence circulation and profitability producing prizewinning

investigative reporting with deep impact on American life before the digital transformation of news media threatened the Post's future. At a dangerous time when health and economic crises and partisanship are challenging the news media, Downie's judgment, fairness, and commitment to truth will inspire anyone who wants to know how journalism at its best works.

Notes of a Native Son James Baldwin, 2012-11-20 In an age of Black Lives Matter, James Baldwin's essays on life in Harlem, the protest novel, movies, and African Americans abroad are as powerful today as when they were first written. With documentaries like *I Am Not Your Negro* bringing renewed interest to Baldwin's life and work, *Notes of a Native Son* serves as a valuable introduction. Written during the 1940s and early 1950s when Baldwin was only in his twenties, the essays collected in *Notes of a Native Son* capture a view of black life and black thought at the dawn of the civil rights movement and as the movement slowly gained strength through the words of one of the most captivating essayists and foremost intellectuals of that era. Writing as an artist, activist, and social critic, Baldwin probes the complex condition of being black in America. With a keen eye, he examines everything from the significance of the protest novel to the motives and circumstances of the many black expatriates of the time from his home in The Harlem Ghetto to a sobering journey to Atlanta. *Notes of a Native Son* inaugurated Baldwin as one of the leading interpreters of the dramatic social changes erupting in the United States in the twentieth century, and many of his observations have proven almost prophetic. His criticism on topics such as the paternalism of white progressives or on his own friend Richard Wright's work is pointed and unabashed. He was also one of the few writing on race at the time who addressed the issue with a powerful mixture of outrage at the gross physical and political violence against black citizens and measured understanding of their oppressors, which helped awaken a white audience to the injustices under their noses. Naturally, this combination of brazen criticism and unconventional empathy for white readers won Baldwin as much condemnation as praise. *Notes* is the book that established Baldwin's voice as a social critic, and it remains one of his most admired works. The essays collected here create a cohesive sketch of black America and reveal an intimate portrait of Baldwin's own search for identity as an artist, as a black man, and as an American.
