Rise And Fall Of The Hashemite Kingdom Of Arabia

Sherifa Zuhur

Rise And Fall Of The Hashemite Kingdom Of Arabia:

The Rise and Fall of the Hashemite Kingdom of Arabia Joshua Teitelbaum, 2001 The Hashemite Kingdom of Arabia was forged in the crucible of the Arab Revolt in 1916 during World War I Its leader Sharif Husayn ibn Ali struggled to put together a tribal confederacy This study examines Husayn s efforts at state formations efforts that eventually failed

Global Security Watch—Saudi Arabia Matthew Gray, 2014-10-07 Examines the causes and consequences of Saudi Arabia s current security policy and the domestic regional and international challenges the country s defense program presents to the general welfare of the Middle East As possessor of a quarter of the world s oil reserves and host to two of the holiest cities in Islam Saudi Arabia is an integral part of the cultural economic and political well being of the Middle East From Persian Gulf security to Middle Eastern politics to the international energy industry events in this desert kingdom strongly impact the stability of the region This comprehensive resource analyzes contemporary Saudi Arabia its modern history the role of Islam and the nature of Saudi foreign relations and reveals how these and other factors dictate and shape the country s current security policies and priorities Middle East expert and author Mathew Gray has organized the work into six sections the first provides an historical overview of the region from the mid 1700s to the 1980s the second explores the Saudi political and security system the third discusses Saudi U S relations the fourth looks at Saudi relations with the Gulf region and the wider Middle East and the fifth considers Saudi Arabia s role in Sunni extremism and terrorism The final chapter looks at emerging security threats for Saudi Arabia The book includes an overview of future challenges and risks including climate change water shortages and problems of Saudi identity and social dispersion *The Hijaz* Malik Dahlan, 2018-08-01 Dahlan offers an alternative vision of Islamic governance through the history and promise of the Hijaz the first state of Islam The Hijaz in the west of present day Saudi Arabia was the first Islamic state in Mecca and Medina This new interpretative history offers a fresh vision of Islamic governance and law as a positive force for political reform in the Middle East and beyond Applying key Islamic principles of public good to contemporary life Malik Dahlan challenges two dominant narratives He reclaims the development of Islamic statecraft as the wellspring of collective identity and statesmanship in the Arab world simultaneously influenced and disrupted by Westphalian statehood models and Enlightenment notions of self determination He equally rejects the appropriation of Islamic governance and the Caliphate concept by both the post modern non territorial Al Qaeda and the neo medievalist ISIS Celebrating the history and untapped potential of a region where Arab leaders built the ideological foundations of an emerging polity The Hijaz is a compelling alternative analysis of governance in the Arabian Peninsula and the global Islamic community and of its interaction with the wider world *A Brief History of Saudi Arabia, Third Edition* James Wynbrandt, 2021-05-01 A Brief History of Saudi Arabia Third Edition provides a clear lively and comprehensive account of the history of Saudi Arabia from ancient times to the present day It relates the central events that have shaped the country and details their significance in historical context

touching on all aspects of the history of the country from political international and economic affairs to cultural and social developments Illustrated with full color maps and photographs and accompanied by a chronology bibliography and suggested reading this accessible overview is ideal for the general reader Coverage includes Arabia The Land and Its Pre Islamic History The Birth of Islam The Islamic Empire and Arabia The Golden Age of Islam The Mamluks the Ottomans and the Wahhabi Al Saud Alliance The First Saudi State Roots of Modern Arabia Unity and Independence Birth of a Kingdom A Path to World Power Oil and Arms The Gulf Crisis and Its Aftermath Challenges and Cautious Reforms At the Center of a Regional Realignment

Making the Modern Middle East T. G. Fraser, Andrew Mango, Robert McNamara, 2014-07-15 A century ago as World War I got underway the Middle East was dominated as it had been for centuries by the Ottoman Empire But by 1923 its political shape had changed beyond recognition as the collapse of the Ottoman Empire and the insistent claims of Arab and Turkish nationalism and Zionism led to a redrawing of borders and shuffling of alliances a transformation whose consequences are still felt today This fully revised and updated second edition of The Makers of the Modern Middle East traces those changes and the ensuing history of the region through the rest of the twentieth century and on to the present Focusing in particular on three leaders Emir Feisal Mustafa Kemal and Chaim Weizmann the book offers a clear authoritative account of the region seen from a transnational perspective one that enables readers to understand its complex history and the way it affects present day events

28 June Alan Sharp, 2014-08-15 On June 28 1919 the Peace Treaty was signed in the Hall of Mirrors at Versailles five years to the day after the assassination of Archduke Franz Ferdinand in Sarajevo triggered Europe's precipitous descent into war This war was the first conflict to be fought on a global scale By its end in 1918 four empires had collapsed and their minority populations which had never before existed as independent entities were encouraged to seek self determination and nationhood Following on from Haus's monumental thirty two Volume series on the signatories of the Versailles peace treaty The Makers of the Modern World 28 June looks in greater depth at the smaller nations that are often ignored in general histories and in doing so seeks to understand the conflict from a global perspective asking not only how each of the signatories came to join the conflict but also giving an overview of the long term consequences of their having done so

Storm from the East Milton Viorst, 2007-12-18 America's engagement with the Arab world stretches back far beyond the Iraq wars According to Milton Viorst the current conflict is simply the latest round in a 1 400 year struggle between Christianity and Islam in which the United States became a participant only in the last century Today the Bush Doctrine aims to free the Arab peoples from political oppression and create a democratic Iraq So why are Arabs and Iraqis in particular so suspicious of our efforts The explanation Viorst says is simple What the American leadership has miscalculated or simply dismissed is Arab nationalism In Storm from the East Viorst offers a balanced lucid and vital history of America's uneasy relationship with the Arab world and argues that brutal conflict in the region will continue until the West with the United States taking the lead honors the Arabs insistence on deciding their own destiny

Viorst examines the long struggle of the Arab world to overthrow Western hegemony. He explores the Arab experiences with democracy and military despotism, Nasserite socialism in Egypt and Ba'athism in Syria and Iraq, tribal monarchy in Saudi Arabia and Jordan, guerrilla warfare waged by the Palestinians, and finally Islamic rebellion culminating in Osama bin Laden's extremist al Qaeda. All have the same goal: the liberation of the Arabs from foreign domination. Storm from the East is a powerful work that like no other limns the political, religious, and social roots of Arab nationalism and the present-day unrest in the Middle East.

The Shaykh of Shaykhs Yoav Alon, 2016-07-20. Shaykh Mithqal al-Fayiz's life spanned a period of dramatic transformation in the Middle East. Born in the 1880s during a time of rapid modernization across the Ottoman Empire, Mithqal led his tribe through World War I, the development and decline of colonial rule, and the founding of Jordan, the establishment of the state of Israel, and the Arab-Israeli conflict that ensued, and the rise of pan-Arabism. As Mithqal navigated regional politics over the decades, he redefined the modern role of the shaykh. In following Mithqal's remarkable life, this book explores tribal leadership in the modern Middle East more generally. The support of Mithqal's tribe to the Jordanian Hashemite regime extends back to the creation of Jordan in 1921 and has characterized its political system ever since. The long-standing alliances between tribal elites and the royal family explain to a large extent the extraordinary resilience of Hashemite rule in Jordan and the country's relative stability. Mithqal al-Fayiz's life and work as a shaykh offer a notable individual story as well as a unique window into the history, society, and politics of Jordan.

The British Empire and the Hajj John Slight, 2015-09-21. The British Empire governed more than half the world's Muslims. John Slight traces the empire's complex interactions with the Hajj, the annual pilgrimage to Mecca, from the 1860s, when an outbreak of cholera led Britain to engage reluctantly in medical regulation of pilgrims, to the Suez Crisis of 1956. He gives voice to pilgrims and officials alike.

The Mission and the Kingdom David Commins, 2016-09-29. In the wake of September 11th, instant theories have emerged that try to root Osama Bin Laden's attacks on Wahhabism. Muslim critics have dismissed this conservative interpretation of Islam that is the official creed of Saudi Arabia as an unorthodox innovation that manipulated a suggestible people to gain political influence. David Commins' book questions this assumption. He examines the debate on the nature of Wahhabism and offers original findings on its ascendance in Saudi Arabia and spread throughout other parts of the Muslim world, such as Afghanistan and Pakistan. He also assesses the challenge that radical militants within Saudi Arabia pose to the region and draws conclusions which will concern all those who follow events in the Kingdom. *The Wahhabi Mission and Saudi Arabia* is essential reading for anyone interested in the Middle East and Islamic radicalism today.

How the West Stole Democracy from the Arabs Elizabeth F. Thompson, 2022-03-30. This expertly researched account brings to life a meaningful but underexplored chapter in world history. Publishers Weekly: When Europe's Great War engulfed the Ottoman Empire, Arab nationalists rose in revolt against the Turks. The British supported the Arabs' fight for an independent state and sent an intelligence officer, T. E. Lawrence, to join Prince Faisal, leader of the Arab army, and a descendant of the Prophet. In October

1918 Faisal Lawrence and the Arabs victoriously entered Damascus where they declared a constitutional government in an independent Greater Syria At the Paris Peace Conference Faisal won the support of Woodrow Wilson who sent an American commission to Syria to survey the political aspirations of its people However other Entente leaders at Paris and later San Remo schemed against the Arab democracy which they saw as a threat to their colonial rule On March 8 1920 the Syrian Arab Congress declared independence and crowned Faisal king of a representative monarchy Rashid Rida a leading Islamic thinker of the day led the constituent assembly to establish equality for all citizens including non Muslims under a full bill of rights But France and Britain refused to recognize the Damascus government instead imposing a system of mandates on the Arab provinces of the defeated Ottoman Empire on the pretext that Arabs weren t yet ready for self government Under such a mandate the French invaded Syria in April crushing the Arab government and sending Faisal and Congress leaders into exile The fragile coalition of secular modernizers and Islamic reformers that might have established democracy in the Arab world was destroyed with profound consequences that reverberate still Using many previously untapped primary sources including contemporary newspaper accounts and letters minutes from the Syrian Arab Congress and diary and journal entries from participants *How The West Stole Democracy From The Arabs* is a groundbreaking account of this extraordinary brief moment of unity and hope and of its destruction Important and fascinating Amaney A Jamal Edwards S Sanford Professor of Politics Princeton University *A Brief History of Saudi Arabia* James Wynbrandt, 2010 From Saudi Arabia s pre Islamic history to the events of today this book offers a balanced informative perspective on the country s long history Complete with black and white illustrations maps charts a chronology and basic facts this comprehensive overview of the history of Saudi Arabia places the political economic and cultural events of today into a broad historical context *Armies of Arabia* Zoltan Barany, 2021-09-17 *Armies of Arabia* is the first comprehensive analysis of the Gulf monarchies armed forces including their political social and economic characteristics foreign relations and battleground performance The Arabian Peninsula is among the most strategically and economically important areas in the world but its militaries remain terra incognita In *Armies of Arabia* the first book to comprehensively analyze the Gulf monarchies armed forces Zoltan Barany explains their notorious ineffectiveness with a combination of political structural and sociocultural factors Drawing on over 150 interviews and meticulous multidisciplinary research Barany paints a fascinating portrait of Arabia s armies from Ibn Saud s Ikhwan to the present He explores the methods ruling families employ to ensure their armies loyalty examines the backgrounds and career trajectories of soldiers and officers and explains the monarchies reliance on mercenaries and the enduring importance of tribal networks Even though no other world region spends more on security Arabia s armies remain ineffective because of an absence of meritocracy the domination of personal connections over institutional norms insipid leadership a casual work ethic and training that lacks intensity frequency and up to date scenarios Massive weapons acquisitions are primarily pay offs to the US for protecting them and have resulted in bloated and inappropriate arsenals and

large scale corruption Barany explains why the Gulf Cooperation Council has been a squandered opportunity and examines the kingdoms military relationships with the Arab world and beyond The performance of the Saudi led coalition s disastrous war in Yemen starkly illustrates the Gulf armies humiliating combat record The book concludes with thoughts on waste of human potential resources institutions as a dominant theme of Gulf military affairs considers likely changes in response to long term weakening demand for oil and suggests ways in which the armies effectiveness could be raised Chock full of insights and stories from the field and written with a general audience in mind Armies of Arabia will be essential reading for anyone interested in military affairs and Middle Eastern politics society and international relations **Saudi Arabia and**

the New Strategic Landscape Joshua Teitelbaum,2013-09-01 Joshua Teitelbaum evaluates Saudi foreign policy in the Persian Gulf and in the Arab Israeli peace process and provides a shrewd assessment of the Saudi U S relationship He debunks the traditional view of Saudi foreign policy that emphasizes the Saudi concern with the Israeli Palestinian conflict and explains how the true concern of Arabia s rulers is the ideological battle that has been opened up by Iran s push into Arab affairs **Saudi Arabia** Sherifa Zuhur,2012-01-05 This book describes all aspects of Saudi Arabia including its

government economy society and culture as well as its role in the Middle East and its position internationally In this comprehensive introduction to the Kingdom of Saudi Arabia author Sherifa Zuhur reveals the fascinating people culture politics and economic development of the largest Arab country of the Middle East The book provides a detailed summary of Arabian history from the earliest settlements on the Arabian peninsula to the present day with a focus on the rise of the current Saudi regime It provides essential background on the oil politics of the Kingdom dating back to the discovery of oil in the late 1930s an account of Saudi Arabia s subsequent economic advancement and explanations of emerging societal issues such as labor importation and the changing roles of women Saudi Arabia also details the Kingdom s cultural and religious milieu including its music poetry architecture legal system and prominence in the Islamic world Demystifying the

Caliphate Madawi Al-Rasheed,Carool Kersten,Marat Shterin,2012-12-11 An absorbing reflection on the Caliphate and the re imagining of the Muslim ummah as a diverse multi ethnic community Hatred's Kingdom Dore Gold,2004-06-01 The

former Israeli ambassador to the U N takes a close up look at international terrorism the radical Wahab Islam sect and their promotion of Islamic extremism and the role of Saudi Arabia in promoting and sustaining terrorist activity **Historical**

Dictionary of Saudi Arabia J.E. Peterson,2020-03-06 The Kingdom of Saudi Arabia now has been under the spotlight of Western curiosity for more than 80 years More than 15% of the world s total oil reserves lie underneath Saudi Arabia and in the early 1990s the kingdom became the world s largest crude oil producer Not surprisingly a world highly dependent on oil regards the desert kingdom as an area of intense strategic concern as reflected in the coalition of forces assembled on Saudi soil to oust Iraq from Kuwait in 1991 Also it played a major role in the invasion of Saddam Husayn s Iraq in 2003 and shares concern with the West over Iran s nuclear intentions throughout the 21st century This third edition of Historical Dictionary of

Saudi Arabia contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Saudi Arabia **The Politics of National Celebrations in the Arab Middle East** Elie Podeh,2011-06-30 The first systematic study of the role of celebrations and public holidays in the Arab Middle East **After the Sheikhs** Christopher Michael Davidson,2015 Noted Gulf expert Christopher Davidson contends that the collapse of these kings emirs and sultans is going to happen and was always going to
