Forum, 1928 *Encyclopedia of Women's History in America* Kathryn Cullen-DuPont, 2014-05-14 A collection of biographical information about outstanding women in American history **The Global 1960s** Tamara Chaplin, Jadwiga E. Pieper Mooney, 2017-07-20 The Global 1960s presents compelling narratives from around the world in order to de center the roles played by the United States and Europe in both scholarship on and popular memories of the sixties Geographically and chronologically broad this volume scrutinizes the concept of the sixties as defined in both Western and non Western contexts It provides scope for a set of analyses that together span the late 1950s to the early 1970s Written by a diverse and international group of contributors chapters address topics ranging from the socialist scramble for Africa to the Naxalite movement in West Bengal the Troubles in Northern Ireland global media coverage of Israel Cold War politics in Hong Kong cinema sexual revolution in France and cultural imperialism in Latin America The Global 1960s explores the contest between convention and counter culture that shaped this iconic decade emphasizing that while the sixties are well known for liberation activism and protest against the establishment traditional hierarchies and social norms remained remarkably entrenched Multi faceted and transnational in approach this book is valuable reading for all students and scholars of twentieth century global history **Official Master Register of Bicentennial Activities** American Revolution Bicentennial Administration, 1975 **The Forum**, 1928 **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles **Interpreting Early Modern Europe** C. Scott Dixon, Beat Kümin, 2019-09-11 Interpreting Early Modern Europe is a comprehensive collection of essays on the historiography of the early modern period circa 1450 1800 Concerned with the principles priorities theories and narratives behind the writing of early modern history the book places particular emphasis on developments in recent scholarship Each chapter written by a prominent historian caught up in the debates is devoted to the varieties of interpretation relating to a specific theme or field considered integral to understanding the age providing readers with a behind the scenes look at how historians have worked and still work within these fields At one level the emphasis is historiographical with the essays engaged in a direct dialogue with the influential theories methods assumptions and conclusions in each of the fields At another level the contributions emphasise the historical dimensions of interpretation providing readers with surveys of the component parts that make up the modern narratives Supported by extensive bibliographies primary materials and appendices with extracts from key secondary debates Interpreting Early Modern Europe provides a systematic exploration of how historians have shaped the study of the early modern past It is essential reading for students of early modern history For a comprehensive overview of the history of early modern Europe see the partnering volume The European World 3ed Edited by Beat Kumin <https://www.routledge.com/The-European-World-1500-1800-An-Introduction-to-Early-Modern-History/Kuminah2/p/book/9781138119154> **The Ashgate Research Companion to Women and Gender in Early Modern Europe** Jane Couchman, 2016-03-23 Over the past three decades

scholars have transformed the study of women and gender in early modern Europe This Ashgate Research Companion presents an authoritative review of the current research on women and gender in early modern Europe from a multi disciplinary perspective The authors examine women s lives ideologies of gender and the differences between ideology and reality through the recent research across many disciplines including history literary studies art history musicology history of science and medicine and religious studies The book is intended as a resource for scholars and students of Europe in the early modern period for those who are just beginning to explore these issues and this time period as well as for scholars learning about aspects of the field in which they are not yet an expert The companion offers not only a comprehensive examination of the current research on women in early modern Europe but will act as a spark for new research in the field

Current History and Modern Culture ,1902 Atlantic Families Sarah M. S. Pearsall,2008-11-27 The growth of the Atlantic world led to the separation of many families Sarah Pearsall explores their lives and letters revealing the sometimes shocking stories of those divided by sea and argues that it was these transatlantic bonds much more than the American Revolution that reshaped contemporary ideals about marriage and the family **Current Literature** Edward Jewitt Wheeler,1898 Resources in Education ,1994 *Beauty and Business* Philip Scranton,2014-03-05 Beauty seems simple we know it when we see it But of course our ideas about what is attractive are influenced by a broad range of social and economic factors and in *Beauty and Business* leading historians set out to provide this important cultural context How have retailers shaped popular consciousness about beauty And how in turn have cultural assumptions influenced the commodification of beauty The contributors here look to particular examples in order to address these questions turning their attention to topics ranging from the social role of the African American hair salon and the sexual dynamics of bathing suits and shirtcollars to the deeper meanings of corsets and what the Avon lady tells us about changing American values As a whole these essays force us to reckon with the ways that beauty has been made bought and sold in modern America

Subject Guide to Books in Print ,2001 **The Radio Right** Paul Matzko,2020 In this book Paul Matzko tells the story of the emergence of ultra conservative radio in the 1960s and reveals the Kennedy administration s involvement in a censorship campaign against conservative broadcasters The Radio Right provides the essential pre history for the last four decades of conservative activism as well as the historical context for current issues of political bias and censorship in the media The Business of Emotions in Modern History Mandy L. Cooper,Andrew Popp,2023-01-12 The Business of Emotions in Modern History shows how businesses from individual entrepreneurs to family firms and massive corporations have relied on leveraged generated and been shaped by emotions for centuries With a broad temporal and global coverage ranging from the early modern era to the present day in Africa Asia Europe and North America the essays in this volume highlight the rich potential for studying emotions and business in tandem In exploring how emotions and emotional situations affect business and in turn how businesses affect the emotional lives of individuals and communities this book allows us to recognise the

emotional structures behind business decisions and relationships and how to question them From emotional labour in family firms to affective corporate paternalism and the role of specific emotions such as trust fear anxiety love and nostalgia in creating economic connections this book opens a rich new avenue of research for both the history of emotions and business history

Feelings and Work in Modern History Agnes Arnold-Forster, Alison Moulds, 2022-01-27 Work in all its guises is a fundamental part of the human experience and yet it is a setting where emotions rarely take centre stage This edited collection interrogates the troubled relationship between emotion and work to shed light on the feelings and meanings of both paid and unpaid labour from the late 19th to the 21st century Central to this book is a reappraisal of emotional labour now associated with the household and life admin work largely undertaken by women and which reflects and perpetuates gender inequalities Critiquing this term and the history of how work has made us feel Feelings and Work in Modern History explores the changing values we have ascribed to our labour examines the methods deployed by workplaces to manage or administrate our emotions and traces feelings through 19th 20th and 21st century Europe Asia and South America Exploring the damages wrought to physical and emotional health by certain workplaces and practices critiquing the pathologisation of some emotional responses to work and acknowledging the joy and meaning people derive from their labour this book appraises the notion of work life balance explores the changing notions of professionalism and critically engages with the history of capitalism and neo liberalism In doing so it interrogates the lasting impact of some of these histories on the current and future emotional landscape of labour

The Color Complex (Revised) Kathy Russell, Midge Wilson, Ph.D., Ronald Hall, 2013-01-08 A provocative exploration of how Western standards of beauty are influencing cultures across the globe and impacting personal professional romantic and familial relationships Processes like skin lightening in India hair smoothing in Black America eyelid reconstruction in China and plastic surgery worldwide continue to rise in popularity for men and women facing discrimination from both within and outside of their own increasingly fluid ethnic groups Now including a wealth of new information since the first edition of The Color Complex over two decades ago the authors through a historical and sociological lens have measured the impact of recent pop culture events effecting race relations to determine whether colorism has gotten better or worse over time
