Rise Up:

Just RISE UP! Sarah Francis Martin, InScribed, 2014-10-14 Sarah remembers the exact moment when the relationship between her faith and her entire life came into clear focus Sitting in her favorite red chair with a comfy blanket and a cup of hot tea she snuggled in with her Bible and a new book The book was huge several hundred pages long and yet it didn't intimidate her Written by the beloved Chuck Colson *How Now Shall We Live* focused the lens of Sarah's life and spelled out a segregation that she had unknowingly been living with a segregation between her faith and the rest of her life She has since come to understand that The Lord designed each and every one of us uniquely and put a dream in our heart that is attached to His agenda for this world Many of us have felt the stirring in our heart to make a difference with our life yet we don't always know how The key she found was to surrender to God's leading seek him first and allow him to do the big things He has planned with our life In the end God's agenda and our dreams and passions will intersect around one very important phrase a battle cry if you will Make Jesus Famous Based on Psalm 145 this invigorating study motivates women to do life differently by making Jesus famous in all aspects of life Just RISE UP is a call to get off the couch of complacency live a life of praise with a humble posture and Kingdom perspective and step into a life of true purpose Features include Verse by verse study of Psalm 145 Snippets of conversations with Sarah's readers Journaling prompts to help the reader dig deeper Conversation guide for small groups

David Robert Hinshaw,2011-03-10 In the process of writing two short collections of light hearted material one published and one yet to be published the author became acutely aware that he could not continue forward without addressing what he considered to be the most important issues of human existence All of us have asked ourselves the questions What is the meaning of life and Why am I here Some have rejected the idea of an eternal soul some are undecided while others are largely unconcerned but the author has chosen to embrace the concept and run with it He believes there is a single overriding mission for every individual alive today The sole purpose of this life is to prepare for the next one and every person has been given the ability to control his own destiny When compared to eternity our lives are like a single knot in a rope that stretches around the world From the foundation of the earth a plan has been in place to allow humanity to share the wonders of eternity with the Creator of all things Those who follow that plan will be rewarded accordingly while those who prefer to separate themselves from the influence of a Higher Power will be granted their wish in eternity If this book convinces one person to follow the plan that leads to redemption then it will have been well worth the effort **An**
