Rising Above Lyme Disease Julia Greenspan, 2019-01-08 Rising

Above Lyme Disease is a comprehensive whole body approach to overcoming Lyme disease and reclaiming your life. Incidence of Lyme disease is skyrocketing. If caught early, antibiotics can often successfully treat it, but more often than not, Lyme is asymptomatic and evades diagnosis until it is a full-blown chronic condition that requires a multi-faceted treatment plan. In *Rising Above Lyme Disease*, renowned naturopath and Lyme-literate doctor Julia Greenspan presents a Comprehensive and Alternative Medicine (CAM) approach for recovery for those who have been suffering with this disease for weeks, months, years, or even decades. Operating from the front lines of the epidemic in New England, she gives hope to those who thought there was none or feel unheard by all those around them. Dr. Greenspan's integrative treatment plan addresses not only the body but the mind as well and includes Standard protocols such as antibiotic and probiotic care, which can be essential to long-term healing, despite fears. Detoxing and dietary changes that help get proven results. Therapies such as yoga, massage, earthing, and qi gong. Therapies that dig deeper when nothing else seems to be working and focus on removing obstacles to healing, such as past trauma, negative beliefs about self, unhealthy lifestyle choices, genetics, hormone imbalance, environmental toxins, and other infections, all of which have a very real and often overlooked effect on recovery. Through this comprehensive approach that focuses on the whole person and the very personal ways in which the disease may affect one's life, it is possible to find relief, become your best advocate, and ultimately rise above Lyme.

### **Rising Above The Noise**

Jonathan Lopez, 2024-04-10. Adjust your crown and rise above the noise of life. In a world filled with distractions and chaos, it is crucial that you maintain your stand and remain levelheaded. Just like a crown sits gracefully on your head, it symbolizes your inner strength, resilience, and God's calling. We were created with a purpose; we are called to be limitless. The only limitation is created by you. In the middle of the noise and chaos, it is easy to lose sight of your true worth and potential. The noise can be overwhelming, drowning out your own voice and causing you to doubt yourself. But remember, you are the ruler of your own destiny, and it is within your power to rise above it all. That power was given to you by God. Adjusting your crown signifies a conscious decision to take control of your life. It is a reminder to hold your head high and embrace the Queen or King that you truly are. It is not about arrogance or superiority but rather an acknowledgment of your self-worth and the importance of self-care. Being confident. As you adjust your crown, you let go of the negativity and doubts that may have held you back, placing your trust in God. You release the opinions and judgments of others, understanding that their noise does not define you. Instead, you focus on your own journey, your own dreams, aspirations, and the Godly purpose given to you before birth.
