The Rising Wendy M. Wright, 1995-12 **The Circle of Seasons** Kimberlee Conway Ireton, 2008-09-30 More than Christmas Easter and points in between the Christian year is a way of interpreting our lives through the eyes of faith Travel through the year with Kimberlee Conway Ireton With suggestions of practices prayers and disciplines for each season this book is an honest brave introduction to a Christian way of marking time *Living the Christian Year* Bobby Gross, 2012-04-25 Bobby Gross presents chapters on each season of the liturgical year accompanied by weekly devotions based on the Sunday readings of the lectionary cycle His book offers a flexible weekly format designed to let you break the devotions down any way you want to **How to Start and Sustain a Faith-Based Women's Spirituality Group** Patricia D. Carter Jr., 2020-03-01 What is scriptural imagination The word imagination does not mean the Bible is fantasy or untrue A scriptural imagination allows us to look at the world through the stories and images of the Bible As we view our world with scriptural imagination we enter a continuous process of becoming more Christlike In *A Beginner's Guide to Practicing Scriptural Imagination* Kenneth Carter focuses on four scripture passages to give readers an easy entry into the practice of scriptural imagination Carter advocates reading and reflecting on the biblical texts with a group Carter says that almost every situation and problem we face can be addressed by men and women sitting with biblical texts listening for what God might be saying through those passages Equally important is taking time to listen attentively to people who are marginalized As readers practice the spiritual exercises in this book they will grow as disciples of Jesus who can then transform their world *Speaking to the Soul* Vicki K. Black, 2009-09 The flourishing website EpiscopalCafe.org produced by the Diocese of Washington attracts several thousand visitors a day Its popular column *Speaking to the Soul* which contains a concise well developed spiritual reflection for every day of the year draws from many different sources including scripture church history saints biographies books of prayers liturgies and ancient and contemporary theologians and spiritual writers This daily reader grew out of that column It follows the Episcopal Church's liturgical seasons and includes observation of major feast days as well as saints days The reading for a particular saint's day might be taken from the saint's writings prayers or biography or might develop a theme such as martyrdom or growth in the spirit Other readings focus on particular emphases of the seasons the Incarnation during Advent and Christmas spiritual disciplines during Lent or speak more generally to the Christian life prayer discipleship ministry the sacraments conflict and reconciliation and so on Readings are

taken from every century of the church's life with particular attention to how the writings and experiences of earlier Christians can shed light on the difficulties, joys and concerns of the church today. Excerpts are long enough to give a satisfying and complete context of the writer's intended meaning. **Connecting Like Jesus** Mary Albert

Darling, 2019-03-05 A hands-on resource for all Christians who want to communicate with more passion and power. Tony Campolo and Mary Albert Darling have teamed up to explore the dynamic connection that occurs when spirituality, spiritual practices are combined with effective communication practices. Churches and other religious organizations depend on the ability of their leaders and members to communicate, speak, teach and preach within their congregations and beyond. This important practical guide will reveal Campolo's preaching secrets and Darling's wise counsel as a professor of communication. **An Open Place** Daniel Schrock, Marlene Kropf, 2012-11

Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices. This book responds to the movement to expand spiritual direction beyond the classic one-on-one model. Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience, yet very little has been written to provide guidance for starting such groups. This book responds to that challenge. It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts. It examines the many variables among directors, directees, even meeting spaces that affect and enliven this ministry. And it summarizes pitfalls, success and discoveries. It's About Time

Brook A. Thelander, 2023-06-20 This book explores common challenges and joys in the life of faith by means of a guided tour through the seasons of the church year. Issues such as complacency, despair, unanswered prayer, evil, suffering, discerning God's will, adversity, achieving inner peace and more are explored from the pastoral perspective of a shepherd's heart. Those new to the church year will discover its blessings and benefits, while those more familiar with its rhythms will gain a deeper appreciation of its formative power. Readers are invited on a journey of discovery where following Christ assumes a concrete shape in the midst of life's practical concerns, all within a thoroughly biblical framework. A Guide to Ministry Self-Care

Richard P. Olson, Ruth Lofgren Rosell, Nathan S. Marsh, Angela Barker Jackson, 2018-09-10 Ministry has never been an easy path and the challenges of today's changing church landscape only heighten the stress and burnout of congregational leaders. A Guide to Ministry Self-Care offers a comprehensive and up-to-date overview of both the causes of stress and strategies for effective self-care. Written for both new and long-time ministers, the book draws on current research and offers practical and spiritual insights into building and maintaining personal health and sustaining ministry long-term. The book addresses a wide range of life situations and explores many forms of self-care from physical and financial to relational and spiritual. **Matthew**

Alyce M. McKenzie, 1998-10-01 In this Gospel, Matthew tells the story of Jesus who is the presence of God and has come to call the faithful to a new level of righteousness. He challenges his disciples to live each day as participants in God's kingdom: be poor in spirit and pure in heart, turn the other cheek and love one's enemies. Through his

teachings and healings Jesus breaks the bonds of evil and sin and frees each one for a life rich in celebration and service By his resurrection Jesus continues to be present even until the end of the age Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study
