THE SIXTH SEAL II Cliff Kelly, 2024-01-30 Today we are witnessing the historically powerful American Order experiencing perhaps its greatest peril as it struggles against the tidal wave of new

challenges from Covid 19 the rapid rise of Christian Nationalism large scale Apostasy and an increasingly divided nation streaming toward increased violence and possibly even Civil War Dr Kelly takes on these growing trends by examining Scripture by Scripture the Sixth Chapter of the Book of Revelation as a Template to help explain the reasons for the current Crisis and where America is likely headed if we do not effectively and biblically confront it He argues that these events constitute the many Birth Pangs leading up to the stunning Return of Jesus Christ to rescue His true Church and judge the nations But before that Day Christians in America and around the world must prepare to move through those first tumultuous Seals as God sifts and separates the true follower of Christ from the impostors This is a riveting ride and the reader is urged to have a Bible and a notepad close by as we explore what Dr Kelly termed in the first edition of this book The End of History as We Know It 2 The Resistance David S. Meyer, Sidney Tarrow, 2018-07-30 Even before the 2016 presidential election

took place groups and individuals angry at Donald Trump and frightened about what a Trump presidency could mean were taking to the streets After the election and particularly after he inaugural the protests continued Over time the Resistance was joined by a broad variety of groups and embraced an increasing diversity of tactics In The Resistance David S Meyer and Sidney Tarrow have gathered together a cast of eminent scholars to tackle the emergence of a volatile and diverse movement directed against the Trump presidency Collectively the contributors examine the origins and concerns of different factions of this movement and evaluate their prospects for surviving and exercising political influence Through a range of analytical and methodological approaches The Resistance offers both an overview of the broad scope of the emerging movement and sharp analyses of the campaign as it works through the numerous crises that the Trump era has introduced **Navigating the**

Congregational Connections Carroll Anne Sheppard,Nancy Burton Dilliplane,2011-09-15 Congregational Connections challenges both clergy and lay leaders to become deeply sensitized to the demographic reality of six separate generational cohorts being alive at once This is the first time in the worlds history that such a thing has happened to humans and none of us has the reality clear in our minds yet It takes work to analyze consciously what we are seeing when multiple generations are present We discover that we are quite happy when we see the expected three Elders Parents raising kids and the children themselves and we often fail to ask Who isnt here Demographers and marketers have created names for these six cohorts a cohort is a group of people born within a 20 or 25 year span who have some distinctive characteristics In America today we have Builders approximately ages 110 87 Silents 86 68 Boomers 67 51 48 GenXers 51 48 27 Millennials 27 11 and GenZ 10 and under The first three Builders Silents and Boomers are referred to in Congregational Connections as Olders and the second three GenX Millennials and GenZ are referred to as Youngers A great shift in worldview and preferred technologies separates Olders and Youngers Today five of these cohorts the youngest Builders Silents Boomers GenX and the oldest Millennials are playing adult roles in a world that recently seemed to be populated by

Elders and Parents raising Children It is making everyone grumpy There does not seem to be psychological room for all these players The March 2011 cover of Philadelphia Magazine pictured a generic texting device with the following text Dear Baby Boomers Just die already Well take Philly from here Thanks XOXO Generation X In congregation after congregation Olders are wondering why the Youngers dont seem to be attending worship regularly Yet when they do come the Olders wish they would make their children stop texting and the parents would stop checking their cell phones Youngers are wondering why Olders want to have all these time wasting repetitive meetings and wont use e technologies to avoid them And why arent they being respected Congregational Connections offers a discussion of who these cohorts are and why they act the way they do Its nine chapters cover How We Got Here Six Different Cohort Experiences The Generational Divide Realities for Congregational Life Worship Christian Formation Programs and Space Community is Congregation and The Way Forward Hope The books aim is not only to have readers become aware of the six cohorts and their different attitudes and needs but also to offer insights through Congregational Moments case studies that let readers see how these realities play out in church life and suggest questions for discussion Why is it happening now In her book The Great Emergence Phyllis Tickle offers us a thesis that we are in the middle of the next Reformation These happen every five hundred years and take about 150 years to roll their paradigm shift of technology and worldview through society The last Reformation was fueled by printing technology that promoted widespread literacy and a worldview shift that supported increasing political democracy and social leveling The one that we are living through now is about electronic technology radio phone television computers internet and who knows and an even flatter social environment Those changes by themselves seem sufficient to make the Second Reformation happen Yet added to their pressures is the arrival of six generational cohorts on the worlds playing field Each cohort has its own identity but Olders and Youngers break into two different sides of the game Whats more by the time the Second Reformation finishes rolling through medical advances may add several decades to the average lifespan Perhaps eight nine or even more generational cohorts will be alive together at its end Right now congre
