getting there     Heaven's Lessons Steve Sjogren, 2013-02-18 If you d asked me who God is on December 9 the year of my accident I would have been able to give you a fairly cohesive but theoretical answer A day later all of that changed A simple surgery went horribly wrong Steve Sjogren died on the operating table He encountered a heavenly world where he felt infinite peace And then he had to come back back to a physical reality filled with pain and disability and an endless line of tests The drama of dying suddenly paled in comparison to the trauma of living Sjogren could not face this new existence with his same old comfortable understanding of God I had minimized God Sjogren says Somehow over time he had become fairly predictable like he could be outlined fully grasped and contained in a neat set of mere ideas Now I saw that he apparently wasn't all that impressed with my cool little notebooks One day in heaven followed by hundreds in agony forged a deeper and stronger faith than Sjogren could have crafted on his own In Heaven's Lessons Sjogren shares his experiences and the life changing ways they have affected his perspective on success suffering and the mysteries of God Watch the trailer here <http://www.youtube.com/watch?v=5l4jugXqiBU>
