Rita's White House:

Housing Options in the Aftermath of Hurricanes Katrina and Rita United States. Congress. House. Committee on Financial Services. Subcommittee on Housing and Community Opportunity, 2006 RITA Rita McLaren, 2023-07-31

Throughout her lifetime Rita McLaren has documented her experiences in journals and on scrap paper. Now in a collection of short stories, poems, and photographs, Rita shares colorful insights into her unique journey through life that began on Corsie Hill in Perth, Scotland, and carried her across an ocean and a continent to settle in Vancouver, B.C., Canada. In a vivid portrayal, Rita captures the history of her life that led her across two continents and through six decades from 1935 to the present day. She begins by detailing the beginning of her life while living in her family's two hundred year old heritage home on Corsie Hill, spending her days running wild and swimming in the River Tay with her twin sister and other siblings. As she leads others through her experiences from childhood to today via images and writings, Rita proves that an adventurous life is the best life.

Medina, 1996 *The Rita Nitz Story* , The April 1988

murder and decapitation of twenty three year old Michael Miley in rural southern Illinois horrified and enraged local residents and law enforcement officials, some of whom suspected the homicide was a hate crime. *The Rita Nitz Story: A Life Without Parole* is an in depth personal investigation into Miley's murder for which Rita Nitz was convicted as an accomplice to life in prison. Born in 1959, Rita was thirty when she was sentenced in 1989. Her husband, Richard Nitz, was convicted of the murder. Detailing the crime and its aftermath, Larry L. Franklin uncovers a disturbing set of facts that illuminate a possible miscarriage of justice. Was Rita Nitz involved in the murder of Michael Miley? Franklin doesn't purport her guilt or her innocence but instead details the plight of a troubled woman who was a victim of sexual abuse and domestic violence at the hands of family members and spouses and who may also have been a victim of inadequate legal representation and a judicial system more interested in delivering the maximal punishment than in serving justice. Consulting with experts in prosecutorial conduct, jury psychology, and forensic evidence, Franklin discovered details that were withheld from the jury and the public during the trial in 1989. He also suggests other theories and names possible perpetrators involved in the murder that further imply shoddy police work and a tainted criminal investigation. Drawing on numerous conversations with Rita at the Dwight Correctional Center in Illinois, Franklin divulges the story of Rita's tumultuous youth and her three problematic marriages. He shows her to be a battered woman who didn't fully understand the circumstances and behavior that led to her being implicated in such a hideous crime and who lacked the financial resources and emotional strength to navigate the legal

tangle that entrapped her Franklin also points out the disparity in justice between Rita and Richard who is up for parole in less than twenty years while Rita remains sentenced to life without parole In attempting to reach the truth about Miley s murder Franklin highlights abuses in the Illinois correctional system and disparities between the treatment of male and female convicts sketching a blueprint that could improve law enforcement and justice in rural Illinois **Lesia and I** Myron B. Kuropas,2014-12-10 *Lesia and I* is a progress report of the fifty year marriage of Myron and Lesia Kuropas which produced two sons and six grandchildren as well as a memoir of a Ukrainian American whose varied career included working as a school principal in Chicago s inner city a regional director of a federal agency in Chicago a presidential special assistant in the White House a legislative assistant in the U S Senate and an adjunct professor at Northern Illinois University in DeKalb Illinois Dr Kuropas reviews the major events in his fascinating life his travels throughout the world and his successes and failures in both his personal and professional life Provided as background are historical sketches of the episodes that had a profound impact on Myron and Lesia s life as well as the lives of their parents **The Congregationalist** ,1920 *The Congregationalist and Advance* ,1919 Nomination of Rita M.
