Summits before Tommy James and the Shondells made the song a number 1 classic Some of the information contained within these pages will shock rattle and roll you You may fancy yourself a music expert but this third and last in a series of titles devoted to the story of great songs and their revival as great covers is filled with eye openers In many instances one s eyes will open even wider as a result of the list of cover artists with Paul Anka s remake of Nirvana s Smells like Teen Spirit leading the pack Who Did It First Great Rock and Roll Cover Songs and Their Original Artists is the perfect playlist builder So whether quizzing friends at a party answering a radio station contest or just satisfying an insatiable curiosity to know who really did do it first this work is a must have **American National Biography** John A. Garraty, Mark C. Carnes, 2005-05-12

American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past **Rock the Nation** Roberto Avant-Mier, 2010-05-06 Rock the Nation analyzes Latino a identity through rock n roll music and its deep Latin o history By linking rock music to Latinos and to music from Latin America the author argues that Latin o music people and culture have been central to the development of rock music as a major popular music form in spite of North American racial logic that marginalizes Latino as outsiders foreigners and always exotic According to the author the Latin o Rock Diaspora illuminates complex identity issues and interesting paradoxes with regard to identity politics such as nationalism Latino as use rock music for assimilation to mainstream North American culture while in Latin America rock music in Spanish is used to resist English and the hegemony of U S culture Meanwhile singing in English and adopting U S popular culture allows youth to resist the hegemonic nationalisms of their own countries Thus throughout the Americas Latino as utilize rock music for assimilation to mainstream national culture s for resistance to the hegemony of dominant culture s and for mediating the negotiation of Latino a identities **AB Bookman's Weekly** ,1998 **Multicultural America** Carlos E. Cortés, 2013-08-15

This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural **Multicultural America** A Multimedia Encyclopedia

explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader's guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today's students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title's editors

Latino Image Makers in Hollywood Frank Javier Garcia Berumen, 2016-04-14 Latinos have been part of the Hollywood film industry for more than 100 years yet beyond the remarkable success of a few their visibility and clout have generally not reflected their significance in American society Worse the Latino image has suffered from widespread stereotyping in film and performers face unjustified constraints in the kinds of roles available to them Decade by decade from 1960 onward this book analyzes important films made by or about Latinos details the careers of Latino performers and filmmakers of the time and analyzes how film portrayals of Latino characters and subjects connect with political and social trends of each decade It discusses the role of gender social class and ethnicity in film portrayals and provides an overview of the diverse and dynamic Latino community in the United States while celebrating a substantial and enduring contribution to Hollywood film history

Rock Obituaries: Knocking On Heaven's Door Nick Talevski, 2010-04-07 The fascination with tragedy and the subsequent theatre of voyeurism are part of human nature especially when it involves our icons celebrities and musicians Knocking On Heaven's Door is the definitive book of rock n roll pop R B and blues deaths Often only the biggest selling artists are written about and sometimes it is the death of a personality that cements their iconic status Knocking On Heaven's Door not only covers the rock legends who lived hard and died young this detailed reference contains over 1 000 obituaries of music industry personalities famous and obscure from mid fifties to the present day Alphabetical entries of all the important individuals including noteworthy producers managers songwriters record company founders A R men and even critics puts all the information at your finger tips Nick Talevski has spent a decade researching this comprehensive and authoritative reference book and it will be an indispensable and practical addition to every music library full of irresistible and intriguing information
