Rites Of Obedience

Thomas Jackson

Rites Of Obedience:

The Promise of Obedience Leon F. Strieder, 2001 Examines the promise of obedience in the rite of ordination particularly the 1991 addition of a second promise for religious deacons and priests to the bishop The work connects the theological issues of the promise of obedience with their historical development in ordination rituals and religious vows Confucian Ethics in Retrospect and Prospect Qingsong Shen, Kwong-loi Shun, 2008 *Fertility and Pleasure* William R. Lindsey, 2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values Their differences both real and idealized indicate the full range of female roles and sexual values affirmed by Tokugawa society with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other The roles of courtesan and bourgeois housewife were each tied to a set of value based behaviors the primary institution to which a woman belonged and rituals that sought to model a woman's comportment in her interactions with men and figures of authority For housewives it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of female obedience loyalty to the husband's household and sexual activity aimed at producing an heir Pleasure values by contrast flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello's bottom line What William Lindsey reveals in this well researched study is that although the values that idealized the role of wife and courtesan were highly disparate the rituals symbols and popular practices both engaged in exhibited a degree of similitude and parallelism *Fertility and Pleasure* examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm transcend or resist these sets of sexual values In doing so it affords new views of Tokugawa society and Japanese religion Highly original in its theoretical approach and its juxtaposition of texts *Fertility and Pleasure* constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures **Catholic Encyclopedia**, 1912 The Catholic Encyclopedia Charles George Herbermann, 1912 *The Concept of Woman*, v3 Allen, 1997 The culmination of a lifetime's scholarly work this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present Volume I uncovers four general categories of questions asked by philosophers for two thousand years These are the categories of opposites of generation of wisdom and of virtue Sister Prudence Allen traces several recurring strands of sexual and gender identity within this period Ultimately she shows the paradoxical influence of Aristotle on the question of woman and on a philosophical understanding of sexual complementarity Supplemented throughout with helpful charts diagrams and illustrations this volume will be an important resource for scholars and students in the fields of women's studies philosophy history theology literary studies and political science In Volume 2 Sister Prudence Allen explores claims about sex and gender identity in the works of over fifty philosophers both men and women in the late

medieval and early Renaissance periods Touching on the thought of every philosopher who considered sex or gender identity between A D 1250 and 1500 The Concept of Woman provides the analytical categories necessary for situating contemporary discussion of women in relation to men Adding to the accessibility of this fine discussion are informative illustrations helpful summary charts and extracts of original source material some not previously available in English In her third and final volume Allen covers the years 1500 2015 continuing her chronological approach to individual authors and also offering systematic arguments to defend certain philosophical positions over against others A Concert of Charisms Paul Kevin Hennessy,1997 Essays that take various approaches to the tensions that have arisen since Vatican II concerning the original mission and charisms of a religious order and today's actual situations of living within a parish Hiding the Guillotine Emmanuel Taïeb,2020-11-15 Hiding the Guillotine examines the question of state involvement in violence by tracing the evolution of public executions in France Why did the state move executions from the bloody and public stage of the guillotine to behind prison doors In a fascinating exploration of a grim subject Emmanuel Taïeb exposes the rituals and theatrical form of the death penalty and tells us who watched who participated in and who criticized and ultimately brought an end to a spectacle that the state called punishment France's abolition of the death penalty in 1981 has long overshadowed its suppression of public executions over forty years earlier Since the Revolution executions attracted tens of thousands of curious onlookers But gradually there was a shift in attitude and the public no longer saw this as a civilized pastime Why Combining material from legal archives police files an executioner's notebooks newspaper clippings and documents relating to 566 executions Hiding the Guillotine answers this question Taïeb demonstrates the ways in which the media was at the vanguard of putting an end to the publicity surrounding the death penalty The press had ample reason to be critical cities were increasingly being used for leisure activity and prisons for those accused of criminal activity The agitation surrounding each execution coupled with a growing identification with the condemned would blur these boundaries Ranked among the top hundred history books by the website Caf du Web Historizo Hiding the Guillotine has much to impart to students of legal history human rights and criminology as well as to American historians **The Catholic Encyclopedia** Charles Herbermann,1912 Balthasar in Light of Early Confucianism Joshua R. Brown,2020-04-30 In this original study Joshua Brown seeks to demonstrate the fruitfulness of Chinese philosophy for Christian theology by using Confucianism to reread reassess and ultimately expand the Christology of the twentieth century Catholic theologian Hans Urs von Balthasar Taking up the critically important Confucian idea of xiao filial piety Brown argues that this concept can be used to engage anew Balthasar's treatment of the doctrine of Christ's filial obedience thus leading us to new Christological insights To this end Brown first offers in depth studies of the early Confucian idea of xiao and of Balthasar's Christology on their own terms and in their own contexts He then proposes that Confucianism affirms certain aspects of Balthasar's insights into Christ's filial obedience Brown also shows how the Confucian understanding of xiao provides reasons to criticize some of Balthasar's

controversial claims such as his account of intra Trinitarian obedience Ultimately by rereading Balthasar's Christology through the lens of xiao Balthasar in Light of Early Confucianism employs Confucian and Balthasarian resources to push the Christological conversation forward Students and scholars of systematic theology theologically educated readers interested in the encounter between Christianity and Chinese culture and comparative theologians will all want to read this exceptional book

The Works of Thomas Jackson, D.D. Thomas Jackson, 1844

SOCIOLOGY OF RELIGIONS MIR MOHAMMAD IBRAHIM, 2008-04-17 Considerable number of books and research articles have been published on the concept of religion and comparative religion But rarely has any religious scholar elaborated the contribution of different religions from sociological point of view This well researched and erudite study discusses the concept of religion with special reference to Dr Ali Shariati an eminent sociologist and Muslim scholar of Iran He brought forth the unique dimensions of the comparative study of religions The text provides a complete sociological background of various religions and stresses their contributions In addition different Islamic ideals and thoughts which need to be understood in modernist's religious perspective are discussed For example the concepts of Imamat Ijtihad Enjoining good and forbidding evil and Hajj are dealt from a sociological viewpoint Finally even the less known dimensions of Islamic ideologies are explained The book is intended for the postgraduate students of Islamic Studies Research scholars and postgraduate students of philosophy may also find the book useful In addition any reader who is interested in sociology of religion and in particular the ideology and other aspects of Islam will benefit from this book

Gospel Doctrine Joseph Fielding Smith, 1919

From Kaifeng to Shanghai Roman Malek, 2017-07-05 The collection presents the proceedings of the international colloquium held in Sankt Augustin in 1997 and additional materials The articles are written in English German or Chinese with English abstracts The volume includes a general index with glossary

The Baptist Library Charles George Sommers, William R. Williams, Levi L. Hill, 1843

The Psalms Translated and Explained Joseph Addison Alexander, 1864

Modern Genocide Paul R. Bartrop, Steven Leonard Jacobs, 2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders

the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future Christian Perspectives on Sexuality and Gender Elizabeth Stuart,Adrian Thatcher,1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family **NIVAC Bundle 2: Historical Books** Robert L. Hubbard, Jr.,K. Lawson Younger,Bill T. Arnold,August H. Konkel,Andrew E. Hill,Karen H. Jobes,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **The Augsburg Confession** Matthias Loy,1908
