## **Sex And Religion:**

When Sex Was Religion Dr. Larry Falls, 2010-03-26 Evidence of the connection between sex and religion can be found in fertility cults in all nations of the past When Sex Was Religion takes a comprehensive look at how sexual practices were originally considered a religion before the introduction of Christianity Dr Larry Falls a registered clinical sexologist specializing in sexual abuse trauma and emotional health spent five years traveling throughout the United States Canada and Europe learning about different religions cultural history and sexual behavior while working on his doctoral thesis In his fascinating exploration into the beginning of human reason and the birth of religious thought includes the importance of reproduction virgins and temple prostitutes the original meaning of the cross Devil worship witches Sabbath and the curse of the evil eye Dr Falls also proves that the Kama Sutra an ancient Hindu religious narrative about pleasure love and sexuality was really a Bible designed for the purpose of teaching others to gain favor from the gods by engaging in sexual intercourse Dr Falls examination into sex worship demonstrates that phallic reverence was not only a religion but also a cause for dominance and sexual exploitation that to this day remains part of our social structure *Sex and Religion* Dag Ølstein Endsjø, 2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In *Sex and Religion* Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsjø explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage *Sex and Religion* reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it *Sex and Religion* is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience **Sex, Gender and the Sacred** Joanna de Groot, Sue Morgan, 2014-04-03 *Sex Gender and the Sacred* presents a multi faith multi disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4 000 years of history Contains readings relating to sex and religion that encompass 4 000 years of gender history Features new research in religion and gender across diverse cultures periods and religious traditions Presents multi faith and multi disciplinary
