Schizophrenia Mario Maj, Norman Sartorius, 2003-07-07 This series acknowledges the substantial gap that still exists in psychiatry between research evidence and clinical practice clinicians are sometimes incompletely aware of research findings or regard them as biased not convincing or not relevant to their practice By using systematic reviews with accompanying commentaries this volume is able to assess the evidence and experiences to give a critical and objective account of the relevant issues while focusing on key

topics This comprehensive book addresses schizophrenia through a systematic review of the available research evidence This book was a pleasure to review One can dip in and out of it at random to find an important aspect of schizophrenia summarised in a few paragraphs The reviews are all well written balanced and up to date It is designed for an international readership and some commentaries such as those on continental concepts of schizophrenia or experience of stigma in the less industrialised world are rarely found together in one volume British Journal of Psychiatry 2001 **The Macmillan Guide to the United Kingdom 1978-79** NA NA, 2015-12-25 **Britain, Poland and the Eastern Front, 1939** Anita J. Prazmowska, 1987-07-23 This book offers a revisionist interpretation of British foreign policy towards Poland and the role of the Anglo Polish relationship during the period March September 1939 It challenges and questions hitherto held views on the British determination to defend Poland and oppose German expansion eastwards It includes a study of foreign policy economic policy and military planning This book is a major contribution to our knowledge of the outbreak of the war because it contains a unique and original study of the role of the Poles in British proposals for an eastern front and the Polish perception of their relationship with Germany Finally the inconclusive nature of British approaches to the Soviet Union and the Rumanian government are put into the context of the abortive proposal for an eastern front against Germany
