

Long Live Man

Poems by Gregory Corso

Long live Man! sings the poet Gregory Corso — despite atom bombs and computers, cold wars that get hot and together — new that isn't, too many cars and too little love . . . and in these new poems he celebrates the wonders (and the laughs and griefs) of being a man alive.

Whether he is musing on artistic glories amid the ruins of the

Acropolis or watching a New York child invent games on the city's sidewalks, Corso is there in it, putting us into it, with the magic of vision, with the senses-awakening images that transmute reality into something more — insights that let us share his joy and echo his shout of *Long Live Man!*

Other books by Gregory Corso: *The Happy Birthday of Death* (New Directions, \$1.20); *Gasoline* (City Lights, San Francisco, 95c); *American Express* (Olympia Press, Paris).
