Longest Road Stories Along The Transcanada Highway:

The Longest Road Bob Weber, 2003 The Longest Road examines how a single highway linking the entire country has changed the nation that built it the travelers who follow it and the people who live alongside it Everybody loves a road story and the Trans Canada Highway is the world s biggest stage for one The Longest Road hops in the driver s seat winds up the engine and heads out to tell it Tourism and War Richard Butler, Wantanee Suntikul, 2013-05-07 This is the first volume to fully explore the complex relationship between war and tourism by considering its full range of dynamics including political psychological economic and ideological factors at different levels in different political and geographical locations Issues of peace and tourism are dealt with insofar as they pertain to the effects of war on tourism that emerge after the cessation of hostilities The book therefore reveals how not only location but also political strategies accidents of history transportation linkages and economic expediency all have played their role in the development and continuation of tourism before during and after wartime It further show how the effects of war are seldom if ever simply a negation or reversal of the effects of peace on tourism The volume draws on a range of examples from medieval times to the present to reveal the multi faceted development of tourism amidst and because of conflict in a wide variety of locations including the Pacific Europe the Middle East North America Africa and South East Asia showing the diverse ways in which tourism and war interacts In doing so it explores how some locations have been developed as tourist attractions primarily because of war and conflict e g as resting and training places for troops and others flourished because of the threat of danger from conflicts to more traditional tourist locations This thought provoking volume contributes to the understanding of the interrelationships between war peace and tourism in many different parts of the world at different scales It will be valuable reading for all those interested in this topic as well as dark tourism battlefield tourism and heritage tourism **Canadian Books in Print. Author and Title Index**, 1975 The Story of Canadian Roads Edwin C. Guillet, 1968-12-15 From the portage trails snaking their way through the wilderness to superhighways carrying the raw materials and produce of an industrial nation Canada s roads have had a romantic but long neglected history For the first time their development is described in this handsomely illustrated volume by a distinguished Canadian historian Mr Guillet has written a book which is often humorous and always human to be enjoyed by readers of many ages It contains nearly two hundred sketches engravings paintings and photographs most of them contemporary gathered from archives and libraries across the country and well displayed in the specially chosen large format Few are generally available elsewhere For school and public libraries as well as the general reader this book documents a fascinating aspect of Canada s social history Terror in the Shadows Vol. 14: Horror Short Stories Collection with Scary Ghosts, Paranormal & Supernatural Monsters Scare Street, Ron Ripley, David Longhorn, Sara Clancy, Ryan C. Robert, Simon Cluett, Ian Fortey, 2021-05-10 Every page is torn from your worst nightmares An aging woman sacrifices more than she bargained for in her quest for eternal youth A group of kids explore a decrepit slaughterhouse only to find that one

of them won't be coming home And when a deep freeze strikes a small town one man discovers something sinister lurking beneath the ice and snow Scare Street is proud to present fourteen tales of supernatural horror in one volume A new entry into a library packed with your darkest dreams and your greatest fears As you walk through the dank musty aisles cobwebs brush across your skin Creaking shelves tower on either side of you a maze from which there is no escape And the ancient tomes bound in blood red leather call out to you Ravenous monsters cackling witches diabolical demons Every malevolent spirit that has ever haunted your dreams waits for you here trapped within these vellum pages Now the terror has been unleashed And don't forget no screaming in the library Step into the eerie world of Scare Street where supernatural horror and suspense await you at every turn Our collection of ghost stories urban legends and haunted house stories offer the perfect mix of scary and spooky tales Whether it's a creepy campfire classic short horror stories or unsettling creepypasta our tales are crafted to bring thrills and chills that will keep you hooked *The Drive Across Canada* Mark

Richardson, 2025-05-06 Experience driving Canada's longest road and travel with the adventurers who helped make it a reality The Trans Canada Highway is one of the longest highways in the world 7 700 kilometres from St John's Newfoundland to Victoria British Columbia with almost the same distance again on secondary routes It's ironically Canadian but its story is a long and winding journey In *The Drive Across Canada* automotive journalist Mark Richardson tells the stories of the pioneers who first drove across the country in the early days of cars and motorcycles even before any roads existed and of the political fight to create a physical link that would connect Canadians to every province of their vast country Richardson drove the length of the Trans Canada Highway in 2023 repeating the drive he first completed in 2012 In his most recent journey he encounters a hurricane in Newfoundland a firestorm in British Columbia and unspeakable tragedies on the Prairies He meets people whose lives have been changed by the highway sometimes in ways they could never have imagined and along the way the highway changes his life too *Thumbing a Ride* Linda Mahood, 2018-08-01 In the 1920s as a national network of roads and youth hostels spread across Canada so did the practice of hitchhiking By the 1960s the Trans Canada Highway had become the main thoroughfare for thousands of young baby boomers seeking adventure *Thumbing a Ride* examines the rise and fall of hitchhiking and hostelling in the 1970s drawing on records from the time Many equated adventure travel with freedom but a counter narrative emerged of girls gone missing and other dangers Town councillors community groups and motorists called for a nationwide clampdown on a transient youth movement that they believed was spreading hippie sensibilities and anti establishment nomadism Linda Mahood unearths good and bad stories and key biographical moments that formed young travellers' understandings of personal risk agency and national identity *Thumbing a Ride* asks new questions about hitchhiking as a rite of passage and about the adult interventions that turned a subculture into a moral and social issue *Canadian Books in Print*, 1993 ***Slow Road to Brownsville*** David Reynolds, 2020-12-08

An adventurous Englishman explores the forgotten landscape of America's Wild West in this illuminating elegantly written

travelogue Financial Times In his acclaimed memoir Swan River David Reynolds invited readers into the world of his youth growing up in Manitoba Canada Now in Slow Road to Brownsville Reynolds brings readers on a road trip along Highway 83 a little known two lane highway that runs from his Canadian hometown to the Mexican border at Brownsville Texas on the Gulf of Mexico Enthralled by the myth of the American West and the romance of the open road Reynolds explores the realities behind both as he makes his way between small towns gas stations and motels hanging out in bars with the locals and learning the stories of this forgotten region that was once the frontier Along the way he encounters many legendary figures from North American history including Lewis and Clark Sitting Bull Buffalo Bill Davy Crockett and even Truman Capote
