Longest Cocktail Party:

The Longest Cocktail Party Richard DiLello, 2005 This volume is not only fast paced and funny but also manages to be immensely poignant about the demise of the Fab Four and the death of the sixties dream *The Longest Cocktail Party* Richard DiLello, 1976

The Longest Cocktail Party Richard DiLello, 2014-11-05 Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous experimental and liberating times The Beatles started out with the greatest of intentions but reality soon got in the way Much has been written about this period in the history of The Beatles evolution and dissolution some of it true some of it wildly exaggerated but not much of it first hand The Longest Cocktail Party is a rare exception Written by Richard DiLello who served as Apple Records House Hippie from 1968 to 1970 this unusual first hand glimpse into The Beatles empire humorously chronicles the stranger than life stories that were to become legendary including visits by the Hell's Angels and endless tales of celebrity antics Alfred Music is proud to offer this latest edition which features a new and insightful foreword by the author Originally published by Playboy Press in 1972 The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history

Yeah! Yeah! Yeah! Bob Spitz, 2007-10-01 It starts in the housing projects and school playgrounds of Liverpool where four boys would discover themselves and a new form of music called rock n roll It takes us from the famous first meeting between John and Paul to the clubs of Liverpool and Germany when George and Ringo join the band down Penny Lane and Strawberry Fields to America and the height of the Beatles success when they were still teenagers In Yeah Yeah Yeah Spitz recreates the thrills tears and magic of his New York Times bestselling adult biography but in a style and format that's accessible for young readers This book includes photos sidebars

and graphic elements It s a book about teens who changed the world **Godfather Marketing** Gianluigi Guido,2024-09-25 In a landscape marked by uncertainties stemming from global instability societal fragmentation and rapid technological advancements consumers will be seeking immediate satisfaction for their vital needs and desires To address this issue firms will be called upon to grant favors even before selling products offering solutions to consumers in exchange for their unwavering loyalty This compelling book presents a unique and provocative new vision of future markets where firms evolve into organizations reminiscent of mafia families stripped of criminal connotations establishing relationships with their customers based on satisfaction reciprocation recognition of merit and punishment of wrongdoing In a Credibility Economy where the quality of information supersedes its quantity especially with the development of AI this approach gives firms a competitive edge through the creation of a trusted network grounded in a code of honor Godfather Marketing offers an engaging accessible and fresh perspective on marketing where readers will discover unique insights on consumer behavior and market dynamics highlighting how they can benefit the broader community provided appropriate measures are taken to safeguard personal freedom **We Shook Up the World** Tracy Daugherty,2024-04-30 George Harrison met Muhammad Ali in 1964 when both men were on the cusp of worldwide fame Ten years later the two men simultaneously staged comebacks demonstrating just how much they embodied the promises and perils of their era In doing so Tracy Daugherty suggests they revealed the scope and the limits of political courage and commitment to faith in the modern world We Shook Up the World is the story of these two larger than life figures at a momentous time A unique blend of biography and cultural history this book goes to the very heart of the zeitgeist that each man inhabited and reinvented in profound and enduring ways In 1974 deep in the Pennsylvania woods thirty two year old Muhammad Ali was seeking renewal training to regain his heavyweight boxing title in a fight with George Foreman and exploring questions about his politics his career and his life Meanwhile George Harrison was thirty one years old With the Beatles disbanded his marriage ending and the loss of his mother still fresh he traveled to India to revitalize his faith energy and musical spirit seeking renewal at the Hindu holy city of Varanasi In contemplating how these two complex figures managed to carry the cultural rebelliousness and spiritual yearning of the 1960s into a new era of cataclysmic political economic and social change We Shook Up the World offers an intimate perspective on two outsize figures in the nation s and the world s cultural history and a new understanding of their unique contributions to the consciousness of their time and ours **Powers of Two** Joshua Wolf Shenk,2018-06-01 The power of collaboration from Lennon and McCartney to Wozniak and Jobs An inspiring book that also happens to be a great read Daniel H Pink author of Drive Throughout history partners have buoyed each other to better work though often one member is little known to the general public See Warren Buffett and Charlie Munger or Vincent and Theo van Gogh Powers of Two draws on neuroscience social psychology and cultural history to present the social foundations of creativity with the pair as its primary embodiment Revealing the six essential stages through which creative intimacy unfolds this book shows how pairs begin to

talk think and even look like each other how the most successful ones thrive on conflict and why some cease to work together while others carry on At once intuitive and deeply surprising Powers of Two will reshape the way you view individuals relationships and society itself A rare glimpse into the private realms of duos A natural storyteller The New York Times A book about magic about the Beatles about the chemistry between people about neuroscience and about the buddy system it examines love and hate harmony and dissonance and everything in between Wise funny surprising and completely engrossing Susan Orlean We sometimes think of creativity as coming from brilliant loners In fact it more often happens when bright people pair up and complement each other Shenk s fascinating book shows how to spark the power of this phenomenon Walter Isaacson Surprising compelling Shenk banishes the idea of solitary genius by demonstrating that our richest art and science come from collaboration we need one another not only for love but also for thinking and imagining and growing and being Andrew Solomon

The Beatles on the Roof Tony Barrell,2017-10-26 At lunchtime on a bitterly cold January day in 1969 the strains of guitar chords could be heard in the streets surrounding London s Savile Row Crowds gathered At ground level and above People climbed onto roofs and postboxes skipped lunch to gather and listen For the first time in more than two years The Beatles were playing live Ringing from the rooftops disturbing the well to do ears of the tailors below they upset the establishment and bewildered the police It was filmed by director Michael Lindsay Hogg who hoped the footage would act as the finale to a celebratory TV special When it finally surfaced it was in the bleak tumultuous documentary Let It Be And The Beatles would never play live again Tony Barrell examines the concert within the context of its time He speaks to those who were there the fans film makers roadies Apple Corps staff and police He explores the politics of 1968 when peace gave way to protest and how music promotion began to collide with cinema and reality TV The Beatles on the Roof makes essential reading for anyone interested in the band s reinventions and relationships revealing why the rooftop concert happened at all why it happened the way that it did and why it would never happen again

The Beatles: Paperback Writer Mike Evans,2014-07-01 The Beatles Paperback Writer is a unique volume containing over 40 years of interviews articles reviews and essays on subjects ranging from the Fab Four s Liverpool origins to their influence on the counterculture of the late 1960s and beyond to the post Beatle paths followed by John Lennon Paul McCartney George Harrison and Ringo Starr This collection is a compelling and utterly essential guide to the Beatles story

The Beatles Bob Spitz,2012-06-25 The definitive biography of The Beatles hailed as irresistible by the New York Times riveting by the Boston Globe and masterful by Time As soon as The Beatles became famous the spin machine began to construct a myth one that has continued to this day But the truth is much more interesting much more exciting and much more moving the highs and the lows the love and the rivalry the awe and the jealousy the drugs the tears the thrill and the magic to never be repeated In this vast revelatory exuberantly acclaimed and bestselling book Bob Spitz has written the biography for which Beatles fans have long waited

Why Don't We Do it in the Road? John Astley,2006 In Why Don t We Do It In The Road the author looks back to

the 1960s and the global phenomenon surrounding four young men from Liverpool The names and the songs are well known but the why is more difficult to assess even with hindsight against the glare of the music industry's powerful myth making apparatus John Astley deploys his forensic skills as a sociologist to develop an original take on the kaleidoscopic landscape that gave birth to The Beatles phenomenon The reader is invited to take a peep back into the recent past at the post War years in England the trembling class structure of an exhausted society and the advent of global communications in the 1960s as the music industry and British culture is unmade and remade Put another way Why Don't We Do It In The Road is question that has gone unanswered for four decades until now John Astley is a writer and lecturer and is a frequent contributor to journals conferences and radio talks As a sociologist of culture he is also the author of three volumes of collected essays *Liberation Domestication Culture Creativity and Professionalism Practice* John Astley is currently working on *Herbivores and Carnivores* a timely investigation into cultural values in contemporary society [The Beatles and Sixties Britain](#) Marcus Collins, 2020-03-05 In this rigorous study Marcus Collins reconceives the Beatles social cultural and political impact on sixties Britain [Popular Music](#) Roman Iwaschkin, 2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope *American Popular Music and Its Business: From 1900 to 1984* Russell Sanjek, 1988 Volume three of this work focuses on developments in the music business in the twentieth century from its earliest days to the present era *Paul McCartney* Peter Ames Carlin, 2009-11-03 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist More than a rock star more than a celebrity Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon McCartney songwriting duo In this definitive biography Peter Ames Carlin examines McCartney's entire life casting new light not just on the Beatles era but also on his years with Wings and his thirty year relationship with his first wife Linda McCartney He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist reached the top of the charts with a new band and once again drew hundreds of thousands of screaming fans to his concerts Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy and particularly his relationship with John Lennon as he was inspired by it Built on years of research and fresh revealing interviews with friends bandmates and collaborators spanning McCartney's entire life Carlin's lively biography captures the many faces of the living legend
