Longing A Novel Of Love And War:

Love and War John Eldredge, Stasi Eldredge, 2011-05-17 With astonishing vulnerability that engages readers from the first page John and Stasi Eldredge openly discuss their own marriage and the breakthroughs they have won from the challenges they've faced. Each talks to the reader about what he and she have learned providing a balance between male and female perspectives that has been absent from previous books on this topic. John and Stasi begin *Love War* with an obvious confession: Marriage is fabulously hard. But beneath and behind the inevitable tensions a man and woman locked in the same submarine are going to have the real battle is against the work of the Enemy who plots and schemes to tear love apart. The Eldredges show how couples can win by fighting for each other instead of against each other. As they say: We live in a great love story set in the midst of war. This is a book of wisdom and hope, a beautiful labor that will move your marriage to far deeper joy. Dan B. Allender, author of *The Wounded Heart*.

Zen Under Fire: A New Zealand Woman's Story of Love & War in Afghanistan Marianne Elliott, 2012-02-22 I am about to be left in charge of the office. I'm not sure I am ready for the responsibility, so I double-check with my boss. He reassures me: You'll be fine, Marianne. As long as no one kills Amanullah Khan, you'll be fine. By midday, Amanullah Khan is dead. In 2006, Marianne Elliott, a human rights lawyer from New Zealand, was stationed with the UN in Herat. Several months into her new role, an important tribal leader is assassinated while she is in charge of the local UN office. She must try to defuse the situation before it leads to widespread bloodshed. And this is just the beginning of her story. *Zen Under Fire* is a vivid account of Marianne's experience living and working in the world's most notorious battlefield. As well as sharing the incredible details of her UN role, Marianne tells the very personal story of the shattering effect that the high-stress environment had on her and her relationships and asks what it really means to do good in a country that is under siege from within. Romantic Love in Cultural Contexts Victor Karandashev, 2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places

throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature

Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations
