A photograph of a cornfield at sunset. The corn plants are green and tall, filling the foreground and middle ground. A dirt path leads from the bottom center towards the horizon. The sky is filled with soft, golden light from the setting sun, with some clouds visible. The overall mood is peaceful and contemplative.

Hard Times by Applying Your Faith Receiving the Object of Your Faith by Wallace Frazier Prospering in Hard Times by Applying Your Faith explores the truth and knowledge imparted by religion from sources beyond that of the traditional reference Bible In this analysis of faith Wallace W Frazier breaks down and reviews the hierarchy of the multitude of celestial figures He describes a revelation of Christ Jesus of Nazareth unknown or at least unrevealed in traditional religious or sacred books In exploring lesser known spiritual personalities he de conditions the enlightened reader and truth seeker from the limited primitive and traditional concepts of faith and fills the void with a process of applying your faith that produces both spiritual and material fruit In this philosophical breakdown of faith and its history the author seeks to encourage enlighten

and inspire the people brothers and sisters of humankind to receive the Spirit of Truth who is Christ Jesus since His ascension no longer one in the same with Christ Jesus of Nazareth Furthermore Prospering in Hard Times by Applying Your Faith exposes truths to be found and received outside the Bible and traditional religious organizations About the Author In 2001 Wallace W Frazier recognized that the Heavenly Father had a purpose for his life Mr Frazier was beginning to understand the processes by which faith is made effective He then began sharing this in his teaching and writing During many life changes and much prayer and meditation he engaged heavily into researching biblical histories His findings supported what he already perceived that many things in the Bible are indeed true while others are far from the truth Finally this research has been compiled and published Wallace is a native of Oklahoma where he continues to make his residence today with his wife of over 40 years He is a self employed writer and teacher Mr Frazier enjoys filling free time with reading researching gardening fishing and chess Other published works include A Casualty of War The War on Drugs The War Within and Providence The Journey The Discovery The Destination
