Strandness MD MATH, 2016-06-30 We are in danger of losing our identities as unique beings created in the image of God Our culture not wanting to answer to a higher authority tries to expel God from the planet but in the process strips off the very image that makes us human If we officiate at the death of God we will also be forced to preside over the funeral of man The good news is that despite the loud voices declaring that we are just evolved animals the vast majority of us behave as if we are special Since the characteristics that make humans unique are found nowhere else on the planet we are compelled to look to the heavens We have a choice we can find significance running with the pack or in becoming children of God We can howl at the moon or offer prayers to our Father but either way we will end up worshiping our maker Dr Strandness explores what it means to be created in the image of God by examining those qualities that are universally recognized as unique to humankind He makes the case that these characteristics have a heavenly origin and can only be adequately explained by a Biblical understanding of humans as Gods image bearers *Filthy Rags* Neil C. Parks, 2011-10-26 Religion The term religion is used by most to describe a person that seeks and strives to work their way into a state of worthiness and acceptance before a Holy God with their goodness and efforts of works put forth as the offering Sadly enough religion is not understood by most people and Christians as well The natural mind will always rationalize its behavior in hopes it will convince the Creator of the universe to accept the goodness of deeds or overlook the pettiness of mistakes If that is the case then there is no need for the New Testament Bible Grace Grace is un merited favor or in other words the complete opposite of religion Grace provides forgiveness of every sin with the assurance of no recall Their sins and lawless deeds will be remembered no more Hebrews 10 17 Grace is what has already been done for mankind The payment of the sin debt is too costly for mankind to consider paying The shed Blood of Christ is the only reason we have the forgiveness of sin Without the shedding of His Blood there is no hope *Time Squared* Lesley Krueger, 2021-09-28 A richly atmospheric portrait of women s agency and the timelessness of love *Time Squared* explores the enduring roles of rights responsibility and devotion throughout history

Your Own Song To Sing Saverio, 2010-05-25 AUTHOR UP CLOSE I have been a contractor most of my adult life This is actually a second career for me Hopefully you have enjoyed many of my lyrics in this book Some words I spelled wrong on purpose I guess you know that by now I did so the end of the word would have the effect I wanted many lyricists do that If by chance there are others then shame on me and my spell check Grammar never was my best subject I'm married with six children and nine grandchildren Working in any form has been my many hobbies This is my first edition of Your Own Song to Sing I will be doing additional editions probably one a year for the next four or five years Without writing any new material I have enough to fill that many books and yes I'm still writing Again I surely hope to see some of you that use my lyrics if not on center stage when the awards come around Meanwhile All Stay Well SAVERIO

Won't He Do It? God Can Do It Just Like That! Ellis O. Henderson EdD MDiv, 2020-10-19 This book is not for everyone It is important that I say that because there is a notion that we are monolithic and everyone has to agree This book is for those who know who HE is I am watching Deon Cole who is an actor on the show Black-ish and a comedian He was doing his stand up and he was joking about Black folk saying Won't He do it During the show he asked a white attendee who was HE and the boy didn't know Brilliantly he explained to the white doer who HE he was and told him to reply appropriately When Black people hear Won't He do it immediately they reply YES HE WILL Cole explained this to the white gentlemen and spoke into the mic and said Won't HE do it and the white man replied YES HE WILL The audience laughed and applauded Therefore this book is for those who know who HE is This book is for those who know how to reply YES HE WILL More importantly this book is for those who want to know who HE is and why is that HE to many people is God Not that God has to be a man or masculine but God as the Ultimate authority The authority in which Mom would say Wait until you Daddy gets home He is that authoritative figure that would make things wrong right He is a Creator and the God of the Universe and God of all Gods Won't HE do it is a phrase born out of the experience of the African American Church The African American Church is the parent of the current Church worship and style in America Enslaved African created their own worship culture and fellowship that has stood the test of time
