**Islam: A Brief Look at Faith and History (Revised Edition)** Hafiz Ikhlās Ansari, 2017-02-26 Paperback Islam has influenced and continues to influence many cultures around the globe It is shaping history cultures and civilizations Sadly most of us only receive a two dimensional look at Islam a view that is often distorted by the brevity of the media sound bites or by opinionated agendas Our intention with this book is to present Islam its teachings and the history of those who follow it It is not a comprehensive study nor should it be seen as definitive Rather it should be used as a stimulus for further detailed study We hope and pray that this effort becomes a source of promoting much needed harmony peace tolerance and coexistence in the human family This can be done through school education systems interfaith sessions mosque

open houses educational seminars and individual readership This new Revised Edition has larger text clearer graphics and many new additions to the previous text Untangling Terrorism from Religion: A Deeper Look into the Roots of Violent Extremism Sarwat Parvez, 2025-06-08 Terrorism has long haunted modern societies capturing the attention of governments media outlets and the public alike In the rush to explain the inexplicable many turn to religion as the root cause But this simplistic and often biased interpretation overlooks the true complexity behind acts of terror Terrorism is not born from faith alone it is deeply entangled with political social and psychological conditions No single religion has a monopoly on violence and framing terrorism as inherently religious only hinders our understanding and our ability to respond effectively

**Searching For God And Finding Allah** Gene Netto, 2019-11-19 What does Islam say about Christianity Jesus the Trinity the Holy Bible and Almighty God What does Islam say about the Absolute Truth of Islam the Prophet Muhammad and the Holy Qur'an also spelled Koran If there is only One Almighty God then Christians and Muslims must be praying to the same God So what are the differences between the two religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto The world by hitchhiking Ludovic Hubler, A business school is everything but a hitchhikers training place Its main objective is to train tomorrow's business leaders and decision makers and prepare them for the work environment But Ludovic Hubler from Alsace in France a graduate of Strasbourg Business School chose to break with the traditional educational mould and do things differently When he obtained his Master's Degree at the age of 24 he believed that discovering the realities of the world was a necessary prelude to embarking on a professional career That's why on 1st January 2003 he started off on a tour of mankind that he likes to call his Life PhD His adventure lasted five years during which he travelled the world solely by means of hitch hiking in every conceivable form From boat hitching across the Atlantic and Pacific Oceans to ice breaker hitching to reach Antarctica to crossing the Sahara desert or passing through countries such as Colombia and Afghanistan Ludovic put his thumb to the test in all imaginable situations His experiences and meetings were vast and varied Among the most outstanding the Dalai Lama received him at his home in Dharamsala in India but equally interesting were the thousands of students from all walks of life with whom Ludovic shared his adventures on the road A total of 5 years travelled spanning

106 000 miles and 59 countries hundreds of lectures given and lifts from more than 1 300 people received give an idea of the extent and richness of the journey More than recounting an extreme feat this book traces an extraordinary human adventure where you re transported by the wind of freedom **Women and Religion in the West** Sonya Sharma,2016-02-11 What is the relationship between women and secularization In the West women are abandoning traditional religion Yet they continue to make up the majority of religious adherents Accounting for this seeming paradox is the focus of this volume If women undergird the foundations of religion but are leaving in large numbers why are they leaving Where are they going What are they doing And what s happening to those who remain Women and Religion in the West addresses a neglected yet crucial issue within the debate on religious belonging and departure the role of women in and out of religion and spirituality Beginning with an analysis of the relationship between gender and secularization the book moves its focus to in depth examination of women s experiences based on data from key recent qualitative work on women and religion This volume addresses not only women s place in and out of Christianity the normal focus of secularization theories but also alternative spiritualities and Islam asking how questions of secularization differ between faith systems This book offers students and scholars of religion sociology and women s studies as well as interested general readers an accessible work on the religiosity of western women and contributes fresh analyses of the rapidly shifting terrain of contemporary religion and spirituality

Searching for Heaven in the Real World Kathryn Ann Kraft, 2013-02-24 Searching for Heaven in the Real World A Sociological Discussion of Conversion in the Arab World While adjusting to a new identity is akin to adjusting to a new set of skin even more difficult is realising that this new skin may not be as comfortable or as pleasant as the old one In Searching for Heaven in the Real World Kathryn Kraft explores the breadth of psychological and societal issues faced by Arab Muslims after making a decision to adopt a faith in Christ or Christianity investigating some of the most surprising and significant challenges new believers face Arab Muslims arrive at a point of new faith with great expectations With such high hopes for what they will experience in their new identity they are bound to encounter a reality that is different They need to invest a great deal of emotional energy in addressing their expectations and what they actually encounter Even so those who stay the course of faith usually hold on to their dreams believing that heaven is not only for the afterlife but it is for the real world as well

*Soul Searching : The Religious and Spiritual Lives of American Teenagers* Christian Smith Dr William R Kenan Jr Professor of Sociology University of Notre Dame,Candidate University of North Carolina Melina Lundquist Denton Ph.D, Chapel Hill USA,2005-01-25 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole
