Q-Ships and Their Story E. Keble Chatterton, 2017-07-03 The wonderful and brave story of ships and men here presented needs but the briefest introduction The deeds will forever remain one of the most glorious chapters in the chronicles of the sea No excuse is offered for adding another volume to the literature of the war for the subject is deserving of greater attention than has hitherto been possible Lord Jellicoe once remarked that he did not think English people realized the wonderful work which these mystery ships had done in the war and that in these vessels there had been displayed a spirit of endurance discipline and courage the like of which the world had never before seen To few naval historians I believe has it ever been permitted to enjoy such complete opportunities for acquiring authentic information as is here presented Unquestionably the greatest sphere of Q ship operations was off the south west coast of Ireland owing to the fact that the enemy submarines from the summer of 1915 to 1918 concentrated their attacks with certain intervals on the shipping in the western approaches to the British Isles It was my good fortune during most of this period to be at sea patrolling off that part of Ireland These Q ships were therefore familiar in their various disguises at sea or in harbour at Berehaven and Queenstown during their well earned rest Throughout this time I kept a diary and noted down much that would otherwise have been forgotten Many of the Q ship officers were my personal friends and I have enjoyed the hospitality of their ships Valuable data too were obtained from officers of merchant ships who witnessed Q ships engaging submarines A considerable number of authentic manuscripts has been examined By the courtesy of commanding officers I have been lent documents of priceless historical value such as copies of official reports and private diaries plans sketches photographs and so on      **The Sorceress and the Summoner** Joshua D. McArthur, 2012-11 The worlds are changing In a world far from our own where magic and myth are one in the same a declaration of war is announced The announcement sets in motion a chain of events that tear into the very fabric of time and space An ancient legacy has returned to the magical world of Ivane which had been thought long extinct Since anyone can remember there have always been two lines of magic The first is the essence of the Sorceress It has been ten years since the last reincarnation of the Sorceress ten years since very her essence has poisoned an undeserving woman But suddenly it has returned Now to fight off the evil three heroes are called upon to help vanquish the essence for good Legend tells of the one who can manage this seemingly impossible feat The one who can achieve this is

graced with the essence's lighter equivalent the Summoner Aliz Dominio a beautiful gifted young mage from the Alinta Aces Gogora's only army joins forces with Eddy Seamer Eddy is a tough but loveable bladesman and they are joined by one of their mentors Keryn Blackhart a patriotic perfectionist who cannot be beaten with a rifle Together they embark on a quest that spans the wondrous world they have all grown up in Only the Summoner can call forth the ancient sceptre of the Gods This ancient artefact is said to hold the power to vanquish the Summoner's evil counterpart and restore peace if only for a while But something is different this time around and deep in Aliz's heart a horrible truth is beginning to emerge In old times a prophecy was made It spoke of the two ancient lines of magic and how they once belonged to the one who the people of Ivane consider God It tells of the two lines of magic reuniting in one being who will ultimately become a God among men As Aliz and her friends reach their target the heart wrenching truth is exposed The true identity of the Sorceress is revealed and the events that follow are truly catastrophic When one inherits the essence of the Sorceress their soul is twisted and corrupted beyond imagining The darkness within becomes too strong and is unleashed releasing chaos in its never ending pursuit for power It is a wicked burden to bear and when Aliz inherits this unwanted gift her soul is thrust into oblivion and she emerges as the new goddess forever thirsty for dominance Now it is up to Aliz's boyfriend Eddy and his new friend Keryn to help Aliz The only option seems bleak and Eddy drowns in despair But in a world where anything is possible can there be a way to pull somebody back from the abyss Do our heroes try and spit in the face of destiny Or can destiny be changed And if they do change destiny then what
