After Bruce Greyson, M.D.,2021-03-02 The world s leading expert on near death experiences reveals his journey toward rethinking the nature of death life and the continuity of consciousness Cases of remarkable experiences on the threshold of death have been reported since ancient times and are described today by 10% of people whose hearts stop The medical world has generally ignored these near death experiences dismissing them as tricks of the brain or wishful thinking But after his patients started describing events that he could not just sweep under the rug Dr Bruce Greyson began to investigate As a physician without a religious belief system he approached near death experiences from a scientific perspective In After he shares the transformative lessons he has learned over four decades of research Our culture has tended to view dying as the end of our consciousness the end of our existence a dreaded prospect that for many people evokes fear and anxiety But Dr Greyson shows how scientific revelations about the dying process can support an alternative theory Dying could be the threshold between one form of consciousness and another not an ending but a transition This new perspective on the nature of death can transform the fear of dying that pervades our culture into a healthy view of it as one more milestone in the course of our lives After challenges us to open our minds to these experiences and to what they can teach us and in so doing expand our understanding of consciousness and of what it means to be human

Soul Assailants Book I Maurice Isaac,2016-07-02 In a world where what you see isn t always what it seems A world where the people are lost and deceived by the masses A select few will rise to do their part to return the balance and return hope With creativity and passion for art he is driven to change the hearts and minds of readers Not only from his scripted like style of writing to his similar yet different take on heroes and villains His stories are captivating and hard to stop reading once you start His stories are so intense and mind gripping it will be hard for just about anyone to put one of his books down He captures your mind and heart with each and every gripping story Although simple he has made his arrival known with *Soul Assailants* Experience the beginning of a new set of warriors who will not only leave you wanting more but have you on the edge of your seats each chapter
