Looking Into Hell:

Looking into the Revelation Dr. Boyd O. Gray, 2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God's Word is the truth a message he hopes will motivate sinners to heed the Lord's gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ

The Resurrection and Immortality William West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment
