Abstract Reality Cedric Buhagiar, 2014-04-29 Rick Ironside a young cop by profession and a heavy metal band member by passion meanders down his own winding life path as he struggles to balance his social life on one hand and his private one on the other day in day out Scars left by a traumatic childhood and a broken family taint his view of inescapable social life urging him to find solace in his own intimate reveries and in his sister Ricks communal and professional life experiences speak for themselves as if automated while he strives to stay afloat and keep his instincts at bay His inner struggles are given expression to through his own inner voice taking shape as his intimate reveries that are at one and the same time an attempt to exorcise his own psychological demons as much as a signalling of a state of psychological deterioration which although being a mere internal whisper howl fiercely in the reader's ear Things spiral out of control as Rick is suddenly summoned on to the scene of an ongoing crime He is tossed into a living nightmare where he is reunited with his sister whose safety he takes upon himself to keep at all costs Together they must delve deeper into a darkly abysmal reality while reacquainting themselves with haunting memories from the past that manifest themselves as monstrosities But whose is the other voice

that appears in Ricks mind Why is it vying with Rick in a struggle of wits Can Rick stay sane and see himself and his sister out of this mess Abstract Reality is an intimate story of a young man who toils with the different faces of his own reality as well as with the ghosts of his own past a journey through the dark plains of the human psyche weaving together memory and present external encounters and experiences into a dark veil that barely separates insanity from reality if at all **Rescue Dog Mysteries Series** Michele Anne O'Neil,2021-06-17 About the Short Stories The Key to the V When the body of eccentric 75 year old blues musician Jimmy Freeman is found in his kitchen the young woman who placed his rescue dog with him becomes the prime suspect in his murder Add in a mysterious key a rare vintage electric guitar along with a cast of endearing characters and you have a short story that is a quick read that keeps you in suspense Using the eclectic backdrop of Toronto's unique neighborhoods the first story in The Rescue Dog Mysteries series follows a group of misfit dogs who find happiness with a woman who has learned to make her own way in the world Freeman's Best Friend Dog Rescue The second story in the Rescue Dog Mystery series finds Diane Daniels settling into her new role as the founder and director of Freeman's Best Friend Dog Rescue which she runs alongside her partner Marty Cohen a recording engineer On a trip to Ocho Rios Marty rescues a tiny dog and brings her back to Canada to save her life The quest to determine the true identity of the little rescue dog takes a dangerous turn when an unscrupulous person will stop at nothing to retrieve something hidden in the unlikeliest of places The Christmas Window The arrival of an expectant Husky and the discovery of an exquisite artist's rendering of one of the most beloved features of a historic property about to be sold to real estate developers make the founders of Freeman's Best Friend Dog Rescue shelter determined to identify and locate the artist With the addition of a feisty eighty nine year old arts guild president and two young travellers to the established cast of characters Michele Anne O'Neil's third rescue dog mystery celebrates Christmas in a way that Jimmy Freeman would most certainly approve of *The Friends' Library: Comprising Journals, Doctrinal Treatises, and Other Writings of Members of the Religious Society of Friends* William Evans,1838 **Memories of the Beach** Lorraine O'Donnell Williams,2010-04-27 Advance praise for Memories of the Beach Lorraine O'Donnell Williams has given us a charming and evocative memoir of the Beach district six or seven decades ago when it was a separate world in the southeast corner of Toronto Everyone who knew the Beach that was and everyone who knows the Beach of today will enjoy her account of growing up in that special place Robert Fulford author of Accidental City The Transformation of Toronto In this richly rendered memoir of a Catholic girl growing up in Toronto's Beach community in the 1930s and 1940s Lorraine Williams not only vividly captures the feeling of a more innocent age but at the same time touches on a universal truth that the place in which we are nurtured forms an integral part of the person we become Simply wonderful Michael Bedard author of the Governor General Award winning Redwork In this rare combination of history and memoir Lorraine O'Donnell Williams details life within Toronto's Beach community in the 1930s and 40s from the vantage point of her front verandah which abutted the boardwalk Her extensive research has
