Roots of Entanglement Myra Rutherdale,Kerry Abel,P. Whitney Lackenbauer,2018-01-31 Roots of Entanglement offers an historical exploration of the relationships between Indigenous peoples and European newcomers in the territory that would become Canada Various engagements between Indigenous peoples and the state are emphasized and questions are raised about the ways in which the past has been perceived and how those perceptions have shaped identity and in turn interaction both past and present Specific topics such as land resources treaties laws policies and cultural politics are explored through a range of perspectives that reflect state of the art research in the field of Indigenous history Editors Myra Rutherdale Whitney Lackenbauer and Kerry Abel have assembled an array of top scholars including luminaries such as Keith Carlson Bill Waiser Skip Ray and Ken Coates Roots of Entanglement is a direct response to the Truth and Reconciliation Commission s call for a better appreciation of the complexities of history in the relationship between Indigenous and non Indigenous peoples in Canada   **The American Shorthorn Herd Book** ,1896   *Clydesdale Stud Book* Clydesdale Horse Society of the United Kingdom of Great Britain and Ireland,1918   **Imperial Women Writers in Victorian India** Éadaoin Agnew,2017-06-09 This book is about Victorian women s representations of colonial life in India These accounts contributed to imperial rule by exemplifying an idealized middle class femininity and attesting to the Anglicisation of the subcontinent Writers described familiarly feminine modes of experience focusing on the domestic environment household management the family hobbies and pastimes romance and courtship and their busy social lives However this book reveals the extent to which their lives in India bore little resemblance to their lives in Britain and suggests that the acclaimed transportation of the home culture was largely an ideological construct iterated by women writers in the service of the Raj In this way they subverted the constraints of Victorian gender discourses and were part of a growing proto feminism   *The Advanced Register Year Book of the Holstein-Friesian Association of America* Holstein-Friesian Association of America,1928   **The Clydesdale Stud-book. ...** Clydesdale Horse Society of Great Britain and Ireland,1918   *Canadian Shorthorn Herd Book* Canadian Shorthorn Association,1891   **The John A. Macdonald Retrospective 2-Book Bundle** Ged Martin,2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada s most famous political leader a figure of legendary proportions in the history of Canada s birth and development Ged Martin s biography tells Macdonald s story Shocked by Canada s 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial

worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister He drove the Dominion s westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada s founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald s formative role in shaping government promoting women s rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200 **Wallace's Year Book of Trotting and Pacing** United States Trotting Association,1908 **Webster's Royal red book; or, Court and fashionable register** Webster A. and co,1847 *Annual Year Book - United States Trotting Association* United States Trotting Association,1894 Book and Library Sales Catalogues Sotheby & Co. (London, England),1796 *Wallace's Year-book of Trotting and Pacing in ...* John Hankins Wallace,1893 **A Subject-index to the Books in the Library of the Law Society of Upper Canada at Osgoode Hall** Law Society of Upper Canada. Library,1923 Churchill's Empire Richard Toye,2010-08-03 This superb unsettling new history examines how the man who stood for freedom in WWII staunchly promoted Imperialism across the globe Johan Hari The New York Times Book Review A charmer and a bully Winston Churchill was driven by a belief that the English were a superior race whose goals went beyond individual interests to offer an enduring good to the entire world No better example exists than Churchill s resolve to stand alone against a more powerful Hitler in 1940 while the world s democracies fell to their knees But there is also the Churchill who frequently inveighed against human rights nationalism and constitutional progress the imperialist who could celebrate racism and believed India was unsuited to democracy Drawing on newly released documents and an uncanny ability to separate the facts from the overblown reputation by mid career Churchill had become a global brand Richard Toye provides the first comprehensive analysis of Churchill s relationship with the empire Instead of branding Churchill as a simple hero or villain of history Toye demonstrates how the statesman evolved over time He challenges the reader to understand Churchill s need to reconcile the demands of conscience with those of political conformity
