**Lord, Make My Life Count** Raymond C. Ortlund, Ortlund, 1975      Lord, Make My Life Count LaVonne Wood, 2021-03-19 Have you ever wondered if you have made a difference in this life Well you have With every smile you put on someone s face every tear you ve cried with or for someone every word of advice every word of encouragement you ve given you have made a difference in someone s life These fifty one stories poems and articles are my way of making you laugh encouraging you and giving you hope Every personal story made a difference in my life helping me love my Lord my husband and people more Take your time to read each story and ponder how the Lord is speaking to you How can you receive the love of the Savior more deeply How can you forgive those who have hurt you How can you reach out to others My prayer is that you will first and foremost come to know the Savior s love for you      **Make My Life Count** Lois Smith, 2017-06-27 This is my story of the times when the Lord had caused me to perceive his amazing presence and to know by experience his preservation of my life It is my desire to share how God is continually at work even today in our lives in this generation just as he had in previous generations I want to share the many wonderful times that he has chosen to reveal his hand to me as he has been involved in the day by day circumstances of my own life I will also write about the times when I saw him work through me and the ways that he would reveal himself to others It was in those times when he would help them and things would happen in such a way that they were aware that it wasnt me His desire is to turn people to look to him because his hand is open to meet their need in a way that only he can      *The Ministry of the Word, Vol. 03, No. 02* Various Authors, 2023-03-03 In this issue of The Ministry we continue the speaking by Brother Lee concerning the God ordained way as the present practice in God s economy In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church This requires our diligent thorough and practical labor together with God In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life These messages begin to unveil the relationship between the grafted life and God s organic salvation Message Seven unfolds the matters of regeneration and sanctification Regeneration is to bring God into man to have God as life in addition to our original human life Sanctification is to be saturated with God organically sanctification is for God s sonizing that is sanctification is for sonship Message Eight presents the matters of renewing and transformation As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God To be renewed is to have God s element added into our being to replace and discharge our old element Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism it is the metabolic function of the life of God in the believers Message Nine shows us that conformation denotes

the shaping of life as the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God Glorification however is the step in God s complete salvation in which God will completely saturate our body with the glory of His life and nature Lastly we include letters concerning the Lord s move in the Pacific Islands and Romania

**Keep Hope Alive** Femi Aluko,2022-05-23 ABOUT THIS BOOK No matter how painful our trials may seem the last chapter of our lives has not been written God will yet turn all things around for your good One day we shall see that all has truly been worthwhile Life can be viewed as a tapestry woven in strands Now we see only the reverse side All the strands of our lives are crisscrossed there is neither rhyme nor reason to the mixture of colors But one day the tapestry will be complete Then the weaver will turn it over for all to see Instead of the mess that we have observed we will see a glorious picture of incredible beauty When God writes the last chapter all the strands in the story will be drawn together Events that appeared meaningless pains that seemed senseless will take on meaning beyond imagination There are bumps on the highway to glory We need to keep hope alive to arrive at the place of destiny

radiance and God given confidence      **After His Likeness** George W. Truett, 2014-11-26 The late Dr Douglas Southall Freeman Virginia's foremost citizen editor biographer and historian in 1939 said of Dr George W Truett He is one of the most notable figures of twentieth century Christianity a man to whom along with millions of Americans I owe a debt in spirit There were many reasons for Dr Freeman's estimate one of them being the fact that Dr Truett ever proclaimed a very high standard of conduct for Christians and always practiced what he preached Every sermon in this volume emphasizes some phase of Christian living such as witnessing resisting evil obedience dedication of life stewardship giving Christ first place For this reason the title is given to this volume Three sermons herein were first published in 1915 by Fleming H Revell Co of New York in a volume of sermons by Dr George W Truett which was compiled and edited by Dr J B Cranfill The title of that first volume of Dr Truett's sermons was *We Would See Jesus* It is now out of print and the Fleming H Revell Company has graciously given permission to reprint these sermons in re-edited form Your present compiler and editor greatly appreciates this favor because these particular sermons seem to fit so well in *After His Likeness* and also because they are so worthy of reprinting They are *We Would See Jesus* *The Temptation of Our Saviour* and *The Supreme Gift to Jesus* That first volume of Truett's sermons went through seventeen printings a high tribute to the value of the messages therein What was said of Abel may also be said of George W Truett He being dead yet speaketh Powhatan W James Dallas Texas August 1 1954      *The Holiness of God* R. C. Sproul, 2000-06-22 R C Sproul takes a look at the meaning of holiness and why people are both fascinated and terrified by a holy God *The Holiness of God* is a profound moving investigation of the character of God which defines all we are and do as Christians      [The R.C. Sproul Collection Volume 1: The Holiness of God / Chosen by God](#) R.C. Sproul, 2017-02-15 This Collection bundles two of popular and accessible theologian R C Sproul's works into one e book for a great value *The Holiness of God* Central to God's character is the quality of holiness Yet even so most people are hard pressed to define what God's holiness precisely is Many preachers today avoid the topic altogether because people today don't quite know what to do with words like awe or fear R C Sproul in this classic work puts the holiness of God in its proper and central place in the Christian life He paints an awe inspiring vision of God that encourages Christian to become holy just as God is holy Once you encounter the holiness of God your life will never be the same *Chosen by God* With nearly 200 000 copies sold in its 25 years *Chosen by God* by Dr R C Sproul is a contemporary classic on predestination a doctrine that isn't just for Calvinists says Sproul It is a doctrine for all biblical Christians In this updated and expanded edition of *Chosen by God* Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God but paints a portrait of a loving God who provides redemption for radically corrupt humans We choose God because he has opened our eyes to see his beauty we love him because he first loved us There is mystery in God's ways but not contradiction
