Lewis, 2025-10-07 An exploration of Paul s role as a pastoral theologian in the early church Through a close exegetical reading of Paul s letters this volume shows how Paul prioritized moral formation and community building in his pastoral ministry and placed the practice of communal discernment in churches at the heart of life in the Spirit Applying these fundamental insights for today s churches Lewis reclaims Paul s primary pastoral emphasis on moral discernment and community building showing how this practice can be used in a variety of local church communities Ideal for scholars and clergy interested in applying Paul s pastoral theology to real contexts the volume includes practical examples and strategies for engaging in a vibrant practice of spiritual discernment today

Looking for Life John G. Lewis, 2005-04-30 Through exegetical studies of 1 Corinthians and Galatians John Lewis shows how Paul synthesises theology and ethics which interpreters frequently separate as integrated aspects of Christian thinking and living This fusion becomes evident in Paul s complex process of theological moral reasoning that lies beneath the surface of his letters for which we have coined the phrase theo ethical reasoning The book also examines how Paul encourages his churches to apply this theo ethical reasoning in the community practice of spiritual discernment a dialogical comparative process of reasoned reflection on behaviour and experience Through this practice of looking for life community members are led by the Spirit as they reason together attempting to associate the manifestations of new life with conduct that faithfully portrays Christ s self giving pattern This correlation of conduct with experience grounds Paul s own proclamation of Jesus Christ in word and deed It also becomes the foundation for believers faith and hope as they come to know Christ and experience the power of God Thus the book concludes that the practice of spiritual discernment by means of theo ethical reasoning lies at the centre of Paul s religion
