Lord Of Nutcracker Men:

Lord of the Nutcracker Men Iain Lawrence, 2003 It's 1914 and Johnny plays at war with nutcracker soldiers his father sends to him from the battlefields in France Can he control his father's fate and the war itself Cf Our choice 2003 *Ghost Boy* Iain Lawrence, 2002-03-12 Harold Kline is an albino an outcast Folks stare and taunt calling him Ghost Boy It's been that way for all of his 14 years So when the circus comes to town Harold runs off to join it Full of colorful performers the circus seems like the answer to Harold's loneliness He's eager to meet the Cannibal King a sideshow attraction who's an albino too He's touched that Princess Minikin and the Fossil Man two other sideshow curiosities embrace him like a son He's in love with Flip the pretty and beguiling horse trainer and awed by the all-knowing Gypsy Magda Most of all Harold is proud of training the elephants and of earning respect and a sense of normalcy Even at the circus though two groups exist the freaks and everyone else Harold straddles both groups But fitting in comes at a price and Harold must recognize the truth beneath what seems apparent before he can find a place to call home British Children's Literature and the First World War David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers *British Children's Literature and the First World War* examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events **Only Remembered** Michael Morpurgo, 2014-07-03 Published to mark the centenary of the outbreak of the First World War this beautiful anthology collects favourite extracts poems and images from some of the UK's leading cultural political and literary figures Poems short stories personal letters newspaper articles scripts photographs and paintings are just some of the elements of this astonishing collection with cover and artwork by renowned illustrator Ian Beck Among the many contributors are Her Royal Highness the Duchess of Cornwall Sir Andrew Motion Miranda Hart Dame Jacqueline Wilson Anthony Horowitz Eoin Colfer Antony Beevor Emma Thompson David Almond Dr Rowan Williams Richard Curtis Joanna Lumley Raymond Briggs Shami Chakrabarti and Sir Tony Robinson Royalties from the publication will be split between the Royal British Legion and projects for soldiers children and families at SSAFA **Secret Heart** David

the First World War entered the lives and imaginations of Canadian children Drawing on educational materials textbooks adventure tales plays and Sunday school papers this study explores the role of children in the nation s war effort Susan R Fisher also considers how the representation of the war has changed in Canadian children s literature During the war the conflict was invariably presented as noble and thrilling but recent Canadian children s books paint a very different picture What once was regarded a morally uplifting struggle rich in lessons of service and sacrifice is now presented as pointless slaughter This shift in tone and content reveals profound changes in Canadian attitudes not only towards the First World War but also towards patriotism duty and the shaping of the moral citizen **In My Hands: Memories of a Holocaust Rescuer** Irene Gut Opdyke,2008-12-18 IRENE GUT WAS just 17 in 1939 when the Germans and Russians devoured her

Re-visioning Historical Fiction for Young Readers Kim Wilson, 2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re-visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub-genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist's potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers

The Rag and Bone Shop Robert Cormier, 2001-12-04 Twelve year old Jason is accused of the brutal murder of a young girl Is he innocent or guilty The shocked town calls on an interrogator with a stellar reputation he always gets a confession The confrontation between Jason and his interrogator forms the chilling climax of this terrifying look at what can happen when the pursuit of justice becomes a personal crusade for victory at any cost
