my pocket to Olaf of the Mountain from his friend Dr Robson I stood in the rain in the so called street of L on the Fiord looking over the bronzed faces of the stolid but kindly peasants who lounged silently around trying to see if I could detect in one a resemblance to the picture I had formed in my mind of Olaf of the Mountain or could discern in any eye a gleam of special interest to show that its possessor was on the watch for an expected guest To be continue in this ebook **Book**

Deep Blue Funk and Other Stories Daniel B. Frank,Arnold Aprill,1995-05 **The Secret of the Old Warehouse, And Other Stories** Imelda Rose Kaufman,2023-02-09 Jacob Malloy was a strong energetic lad of thirteen who lived with his family in the small suburb of Baytown His life was far from boring because school and church always provided plenty of activities However being of an inquisitive nature Jake was ever ready for something new and different He was intrigued by an old abandoned warehouse near the railroad tracks What it had been used for originally he had no idea but he was itching to get inside and look around Surely there must be something of interest in that old building Any chance of his being able to satisfy his curiosity however seemed nonexistent because the windows were boarded up Imagine his surprise when one Saturday on his way to his friend s house he noticed that one of the boards had come loose and was hanging by a nail This was an opportunity not to be missed He convinced his friend a rather reluctant Joe Reilly to accompany him on this adventure Together they managed to open the window and squeeze through it The boys found that though seemingly abandoned the building was not vacant Their adventure turned deadly when they were discovered and imprisoned The story shifts back and forth from them to their frantic parents and friends and the efforts made to find them There is a story within the story as friends Robert and Jonathan and their parents have an adventure of their own and make a life changing discovery Living Literature Wendy C. Kasten,Janice V. Kristo,Amy A. McClure,Abigail Garthwait,2005 This is the ideal book to help prospective teachers improve children s reading and language arts skills and instill in them a genuine and lasting love of reading The book demonstrates numerous ways to integrate literature into the daily fabric of classroom life Following a solid grounding in the basics every reading teacher needs individual chapters explore genres of children s literature and teaching strategies specific to each genre Then the authors examine currently accepted effective practices for engaging young readers in hands on reading in a way that fosters a love of literature that will last a lifetime Early childhood and elementary education literature and language arts teachers **Humor in Young Adult Literature** Walter Hogan,2005 Celebrates the accomplishments of YA authors acclaimed for producing high quality comedies who have not yet been treated in a book length bio critical study Simultaneously it reminds readers that no matter how funny an author of fiction may be if he shows off his wit in ways that fail to play a natural role in advancing his narrative he is not writing good fiction To demonstrate this humorous passages are presented to illustrate the contribution a sense of humor can make to a work of fiction The book is arranged topically to facilitate a comparison of distinctive treatments by various authors of adolescent life events such as

sibling rivalry bullies and first dates      Children's Book Review Index Gary C. Tarbert, 2001      *The Southern Reporter and Other Stories* John William Corrington, 1981-04-01 The past isn't dead. It isn't even the past. William Faulker wrote: The Southern Reporter constitutes a report on the collisions between a present that cannot find its voice and a past that reaches out incessantly into the lives of contemporary men and women. An old Louisiana lawyer finds himself in California seeking a missing heir who is a physicist, musician, doctor, theologian, and a leader of a crazed and murderous satanistic cult. A childless retired couple prepares treats for Halloween's children only to find that the children have taken on the character of their terrifying costumes. An elderly lawyer dying of cancer is forced to recall an even greater pain and finds his own kind of salvation in the remembrance of love. A court reporter who has spent his life recording the crimes and affairs of others at last cannot stand the flood of evil and visits his own justice on a man the jury has found innocent of rape. A young boy is caught between his high-spirited hell-raising uncle and the deadly civilizing force of his mother. The Southern Reporter penetrates the facade of contemporary life looking for its roots in the past, not simply the past of its people but the looming imaginary structure of western history against which all of us lead our lives and die our deaths. The search for images of order and the loss of them constitute the meaning of The Southern Reporter.
