Lord Im Not Smart Enough:

Take Hold of the Faith You Long For Sharon Jaynes, 2016-05-03 On the outside many women are well put together Christians with trendy shoes beautiful children and wide white smiles On the inside those same women are little girls cowering at the edge of the playground hoping no one notices them yet still wishing they could join in They've professed faith and know the right things but they struggle to truly take hold of the life more abundant that Jesus offers Instead they settle for a life that's less than what God has promised them In this liberating book Sharon Jaynes reveals the most common reasons women get stuck with a mediocre mundane faith Then she shows women how to break free and move forward leaving behind the feelings of inferiority inadequacy and insecurity that are holding them hostage She uncovers untapped sources of confidence and courage equipping women to move from knowing the truth to actually believing it and living it out boldly in a life marked by true freedom

Don't Let the Devil Steal Your Dream Anna M. Spear, 2012-01-12 When we are born God puts a dream in our heart and there it stays for the rest of our life He then starts a process in motion that will help us to obtain that dream Though we may stop pursuing our dream God keeps reminding us we left the dream it didn't leave us One of the reasons so many people are unhappy today is because they are not living the dream God placed inside them Have you allowed the problems of your life to rob you of your dream Has the Devil sneaked in while you weren't looking and stolen the dream from you Well take it back True happiness is found only in Jesus and doing what he wants you to do There is no telling what wonderful things God has in store for you if you Don't let the Devil Steal Your Dream

Why People Stop Believing Paul Chamberlain, 2018-01-12 This book addresses a growing need in apologetic literature It is a response to the growing wave of Christian leaders who are rejecting Christianity and becoming some of its most ardent critics often supported by a plethora of new organizations arising to encourage such people to cut ties to their faith This is a new challenge from a different breed of critics who are using their instant credibility and insider's knowledge of theology the Bible church history even apologetics to debunk the faith they once believed and promoted They have taken aim at the foundations of Christianity including God the Scriptures miracles and the supernatural and Christianity's perceived inherent prohibition on free enquiry Readers will be introduced to arguments against Christianity by these critics which they claim compelled them to leave followed by responses that use examples questions and nontechnical language to make the

reasoning accessible Every issue addressed has been raised by a former Christian leader and special attention has been paid to their precise formulations The book makes the case that however convincing the critics arguments may appear at first glance further analysis reveals them to be weaker than they appear and in many cases entirely unpersuasive How to Reach Your Full Potential for God Study Guide Charles F. Stanley, 2011-03-28 Are you ready to experience God's best In How to Reach Your Full Potential for God best selling author teacher and pastor Dr Charles F Stanley lays out seven essentials to an abundant life the life of purpose that God planned specifically for you You are not here by accident You are here to accomplish a job that God assigned to you from eternity past If you settle for less than God's best in your life the world will lose your contribution and you will miss the exhilaration of reaching your full potential It is an awesome eye opening and inspiring thing to catch a glimpse of how God is working in your life weaving together who He made you to be with those things He has prepared you to do and experience Chapter by chapter Dr Stanley makes the biblical path to fulfilling your God given potential clear practical and inspiring Follow it to experience the joy peace and love that your heavenly Father has waiting for you Read these pages embrace these principles and enjoy every moment of life at its best **The Problem with God** Peter Steinberger, 2013-07-02 Whether people praise worship criticize or reject God they all presuppose at least a rough notion of what it means to talk about God Turning the certainty of this assumption on its head a respected educator and humanist shows that when we talk about God we are in fact talking about nothing at all there is literally no such idea and so all of the arguments we hear from atheists true believers and agnostics are and will always be empty and self defeating Peter J Steinberger's commonsense account is by no means disheartening or upsetting leaving readers without anything meaningful to hold on to To the contrary he demonstrates how impossible it is for the common world of ordinary experience to be all there is With patience clarity and good humor Steinberger helps readers think critically and constructively about various presuppositions and modes of being in the world By coming to grips with our own deep seated beliefs we can understand how traditional ways asserting denying or even just wondering about God's existence prevent us from seeing the truth which it turns out is far more interesting and encouraging than anyone would have thought **Maybe God Is Trying to Tell You Something** Kimberly A. Their God/S Michael Jean Nystrom-Schut, 2015-11-19 In the mind of each person on the planet a set of notions and ideas of God or gods reside Some of these systems are basic and simple Others are highly complex and complicated Some borrow their God god notions from authority or from others they know Others are much more original eclectically piecing together many separate parts from multiple sources No two people in the world experience and translate God gods in the same way And this is what makes things so interesting As I have encountered this wonderful life I have also bumped up against countless people who were in the position to explain exactly who God was and was not They were quite sure of themselves and anxious to impart this wisdom to me But because I had a mind and heart of my own this put me on the outside looking in for much of my life We all come to a place where we realize we must make our minds up as to what we will and will not do how we will think and who we will be As I have encountered them and their God gods I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2 part book

The Power of the God Who Can't Russ Dean, 2023-10-31 In a world that values power above all else, we need to rethink God. It's not just better athletes and bigger engines, but weapons of mass destruction, assault rifles, lethal drugs. Our obsession with stronger, faster, more, and bigger everything is killing us, and at the top of this power pyramid, an all-powerful God validates it all. For those who want a theology justifying the power game in all its forms, omnipotence is the perfect pretext, but for a growing segment of our modern scientific world, the notion of an all-controlling deity sounds increasingly superstitious and tribalistic. People of faith must do better. Our world needs a God whose nature is love, not all-controlling power. That God, the God who can't, is even more powerful. The survival of the world, even the future of God, may depend on us learning to say, "God always does everything God can do."

The Shift Keion Henderson, 2020-03-24 Discover a renewed sense of purpose and courage with this inspirational guide from the founder of The Lighthouse Church and Ministries. To resolve our problems and deal with our mistakes, we must be willing to be transformed by God's process of healing and strengthening. We have a tendency to think of our present situation in polarizing terms: good or bad, up or down. Due to the seasonal nature of our life experiences, this is an easy trap for many of us. The Shift explores the ways we can survive the seasons in between life events with the courage that comes only when you're sure of God's purpose for your life.

God's Influence in the Powerful 7 J. Andy Welch, 2022-08-01 George begins to understand that his experiences involving the number Seven are not coincidental. One morning he shares with Carol his wife that nightly he wakes up in the early hours of morning and the clock reads 2:32 a.m. I lay there awake until I pray for the Lord to help me get some rest, and then I almost immediately go back to sleep. Why is this happening? Why do I wake up at the same time every night? Something very strange is going on here for certain. And it came to him that two plus three plus two equals Seven. Why

is that becoming so significant to me he asks He turns to the Bible for references on Seven and realizes the number Seven is in the Bible hundreds of times For six days God created the heavens and earth and rested on the Seventh day Seven is the sign of completion of success God sanctified that number and it became sacred God had His six day plan laid out and followed His plan to success the Seventh day Many life changing events turned to success and became reality as George prayed and leaned on the number Seven The community became aware of his ministry and he was asked to speak before audiences He began helping and guiding others to eliminate addiction financial woes marital confrontations weight loss and other problems in their lives all empowering Seven There is a time of suspense a time for laughter and a time for the eyes to swell with tears in this reading *Matured Leadings in the Lord's Recovery (1)* Watchman Nee,1994-09-01 Watchman Nee s writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee s writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader s understanding of Watchman Nee s ministry
