**The Lords of Seduction** E. Gaylon McCollough,2010 They are known by many names The Order of the Illuminati Bilderbergers Hidden Hand Shadow Government and Invisible Empire For the purposes of this book the band of self designated despots has been given a more fitting title Lords of Seduction Following their idol the Prince of Darkness these seductive and ruthless overlords became masters at manipulating people and governments coaxing them ever closer toward the boneheaps of history including the United States of America In gallant fashion the author takes readers behind the scenes of an Illuminati Islamic Alliance where a global coup d etat is being orchestrated At the same time peoples of the world are being distracted by a group of equally as seduced puppets Islamic jihadists Many readers will see for the first time the declarations of a little known ancient cipher The Protocols of the Learned Elders of Zion which provides frightening details as to how a supranational sovereignty of world bankers and intellectual elites intend to destroy God collapse the United States of America and deliver a beguiled world into the hands of their lord Lucifer Unless Back cover

Being Given Jean-Luc Marion,2002-07-31 Along with Husserl s Ideas and Heidegger s Being and Time Being Given is one of the classic works of phenomenology in the twentieth century Through readings of Kant Husserl Heidegger Derrida and twentieth century French phenomenology e g Merleau Ponty Levinas and Henry it ventures a bold and decisive reappraisal of

phenomenology and its possibilities Its author s most original work to date the book pushes phenomenology to its limits in an attempt to redefine and recover the phenomenological ideal which the author argues has never been realized in any of the historical phenomenologies Against Husserl s reduction to consciousness and Heidegger s reduction to Dasein the author proposes a third reduction to givenness wherein phenomena appear unconditionally and show themselves from themselves at their own initiative Being Given is the clearest most systematic response to questions that have occupied its author for the better part of two decades The book articulates a powerful set of concepts that should provoke new research in philosophy religion and art as well as at the intersection of these disciplines Some of the significant issues it treats include the phenomenological definition of the phenomenon the redefinition of the gift in terms not of economy but of givenness the nature of saturated phenomena and the question Who comes after the subject Throughout his consideration of these issues the author carefully notes their significance for the increasingly popular fields of religious studies and philosophy of religion Being Given is therefore indispensable reading for anyone interested in the question of the relation between the phenomenological and the theological in Marion and emergent French phenomenology

**The Lord's First Night** Alain Boureau,1998-09 From the late Middle Ages to THE MARRIAGE OF FIGARO to Mel Gibson s BRAVEHEART the ultimate symbol of feudal barbarism has been the right of a feudal lord to sleep with the bride of a vassal on her wedding night But here in a fascinating case study of the folklore of sexuality Alain Boureau elegantly demonstrates such tradition is a myth
