Lords Of The Fly Sleeping Sickness Control In British East Africa 1900 196:

Lords of the Fly Kirk A. Hoppe, 2003-11-20 British sleeping sickness control in colonial Uganda and Tanzania became a powerful mechanism for environmental and social engineering that defined and delineated African landscapes reordered African mobility and access to resources As colonialism shifted from conquest to occupation colonial scientists exercised much influence during periods of administrative uncertainty about the role and future of colonial rule Impartial and objective science helped to justify the British civilizing mission in East Africa by muting the moral ambiguities and violence of colonial occupation Africans actions shaped systems of western scientific knowledge as they evolved in colonial contexts Bridging what might otherwise be viewed as the disparate colonial functions of environmental and health control sleeping sickness policy by the British was not a straightforward exercise of colonial power The implementation of sleeping sickness control compelled both Africans and British to negotiate African elite farmers and fishers and British administrators field officers and African employees all adjusted their actions according to on going processes of resistance cooperation and compromise Interactions between colonial officials their African agents and other African groups informed African and British understandings about sleeping sickness sleeping sickness control and African environments and transformed Western ideas in practice

Problem of Great Importance Karl Ittmann, 2013-09-29 This volume examines the significant role population science played in British colonial policy in the twentieth century as the imperial state attempted to control colonial populations using new agricultural and public health policies private family planning initiatives and by imposing limits over migration and settlement A Problem of Great Importance traces British imperial efforts to engage metropolitan activists who could improve its knowledge of colonial demography and design programs to influence colonial population trends While imperial population control failed to achieve its goals British institutions and experts would be central to the development of postcolonial population programs Researchers scholars and historians of British history will gain greater perspective into the effects of demography on imperial governance and colonial and postcolonial British views of their place in the world

Plunder for Profit Elijah Doro, 2023-04-13 Exploring over a century of Zimbabwe s colonial and post colonial history Elijah Doro investigates the murky and noxious history of that powerful crop tobacco In a compelling narrative that debunks previous histories glorifying tobacco farming Doro reveals the indelible marks that tobacco left on landscapes communities and people Demonstrating that the history of tobacco farming is inseparable from that of colonial encounter Doro outlines how tobacco became an institutionalised culture of production which was linked to state power and natural ecosystems and driven by a pernicious heritage of unbridled plunder With the destruction of landscapes the negative impacts of the export trade and the growing tobacco epidemic in Zimbabwe tobacco farming has a long and varied legacy in southern African and across the world Connecting the local to the global and the environmental to

the social this book illuminates our understandings of environmental history colonialism and sustainability The Demographics of Empire Karl Ittmann, Dennis D. Cordell, Gregory H. Maddox, 2010-11-15 The Demographics of Empire is a collection of essays examining the multifaceted nature of the colonial science of demography in the last two centuries The contributing scholars of Africa and the British and French empires focus on three questions How have historians demographers and other social scientists understood colonial populations What were the demographic realities of African societies and how did they affect colonial systems of power Finally how did demographic theories developed in Europe shape policies and administrative structures in the colonies The essays approach the subject as either broad analyses of major demographic questions in Africa s history or focused case studies that demonstrate how particular historical circumstances in individual African societies contributed to differing levels of fertility mortality and migration Together the contributors to The Demographics of Empire question demographic orthodoxy and in particular the assumption that African societies in the past exhibited a single demographic regime characterized by high fertility and high mortality *The Politics of Disease Control* Mari K. Webel, 2019-11-12 A history of epidemic illness and political change The Politics of Disease Control focuses on epidemics of sleeping sickness human African trypanosomiasis around Lake Victoria and Lake Tanganyika in the early twentieth century as well as the colonial public health programs designed to control them Mari K Webel prioritizes local histories of populations in the Great Lakes region to put the successes and failures of a widely used colonial public health intervention the sleeping sickness camp into dialogue with African strategies to mitigate illness and death in the past Webel draws case studies from colonial Burundi Tanzania and Uganda to frame her arguments within a zone of vigorous mobility and exchange in eastern Africa where African states engaged with the Belgian British and German empires Situating sleeping sickness control within African intellectual worlds and political dynamics The Politics of Disease Control connects responses to sleeping sickness with experiences of historical epidemics such as plague cholera and smallpox demonstrating important continuities before and after colonial incursion African strategies to mitigate disease Webel shows fundamentally shaped colonial disease prevention programs in a crucial moment of political and social change The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **Sleeping Sickness in the Lake Victoria Region of British East Africa, 1900-1915** Harvey G.
