   Lore and Legend of the English Church 1899 Reverend George S. Tyack,2014-03 This Is A New Release Of The Original 1899 Edition   *Annual List of New and Important Books Added to the Public Library of the City of Boston* Boston Public Library,1904   General Catalogue of the Public Library of Detroit, Mich Detroit Public Library,1904   *General Catalogue of the Public Library of Detroit, Mich. Supplement* Detroit Public Library,1904 Contents 1 1889 1893 2 1894 1898 3 1899 1903   **Catalogue of Books in the Lending Department of the Woolwich Library** ,1903   Birth, Marriage, and Death : Ritual, Religion, and the Life-Cycle in Tudor and Stuart England David Cressy,1997-05-29 From childbirth and baptism through to courtship weddings and funerals every stage in the life cycle of Tudor and Stuart England was accompanied by ritual Even under the protestantism of the reformed Church the spiritual and social dramas of birth marriage and death were graced with elaborate ceremony Powerful and controversial protocols were in operation shaped and altered by the influences of the Reformation the Revolution and the Restoration Each of the major rituals was potentially an arena for argument ambiguity and dissent Ideally as classic rites of passage these ceremonies worked to bring people together But they also set up traps into which people could stumble and tests which not everybody could pass In practice ritual performance revealed frictions and fractures that everyday local discourse attempted to hide or to heal Using fascinating first hand evidence David Cressy shows how the making and remaking of ritual formed part of a continuing debate sometimes strained and occasionally acrimonious which exposed the raw nerves of society in the midst of great historical events In doing so he vividly brings to life the common experiences of living and dying in Tudor and Stuart England   Subject Index of Modern Works Added to the Library of the British Museum in the Years 1881-1900 British Museum. Department of Printed Books,1902   *The Work of the Dead* Thomas W. Laqueur,2018-05-08 The meaning of our concern for mortal remains from antiquity through the twentieth century The Greek philosopher Diogenes said that when he died his body should be tossed over the city walls for beasts to scavenge Why should he or anyone else care what became of his corpse In The Work of the Dead acclaimed cultural historian Thomas Laqueur examines why humanity has universally rejected Diogenes s argument No culture has been indifferent to mortal remains Even in our supposedly disenchanted scientific age the dead body still matters for individuals communities and nations A remarkably ambitious history The Work of the Dead offers a compelling and richly detailed account of how and why the living have cared for the dead from antiquity to the twentieth century The book draws on a vast range of sources from mortuary archaeology medical tracts letters songs poems and novels to painting and landscapes in order to recover the work that the dead do for the living making human communities that connect the past and the future Laqueur shows how the churchyard became the dominant resting place of the dead during the Middle Ages and why the cemetery largely supplanted it during the modern period He traces how and why since the nineteenth century we have come to gather the names of the dead on great lists and memorials and why being

buried without a name has become so disturbing And finally he tells how modern cremation begun as a fantasy of stripping death of its history ultimately failed and how even the ashes of the victims of the Holocaust have been preserved in culture A fascinating chronicle of how we shape the dead and are in turn shaped by them this is a landmark work of cultural history

Subject Index of Modern Books Acquired British Library,1906   General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich Detroit Public Library,1904   *Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...* British Museum. Death, Dissection and the Destitute Ruth Richardson,2000 In the early nineteenth century body snatching was rife because the only corpses available for medical study were those of hanged murderers With the Anatomy Act of 1832 however the bodies of those who died destitute in workhouses were appropriated for dissection At a time when such a procedure was regarded with fear and revulsion the Anatomy Act effectively rendered dissection a punishment for poverty Providing both historical and contemporary insights Death Dissection and the Destitute opens rich new prospects in history and history of science The new afterword draws important parallels between social and medical history and contemporary concerns regarding organs for transplant and human tissue for research   **Annual List of New and Important Books Added to the Public Library of the City of Boston** ,1901   **Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...** British Museum,1902   Finding List ,1904   Catalogue Bailey Brothers,1887   **B.H. Blackwell** B.H. Blackwell Ltd,1928   **Subject Index of Modern Books Acquired 1881/1900-.** British Museum. Department of Printed Books,1966   *An ABC of Witchcraft Past and Present* Doreen Valiente,2018-01-31 This is the only book of its kind on witchcraft that has been written by a practising witch It is intended to be not merely a history but a guide to the many strange byways of a vast and fascinating subject Witchcraft is as old as the human race and it is actively practised today by people of all classes To its devotees witchcraft is more than spells and charms or even secret meetings and rituals it is a philosophy and a way of life It claims to be the oldest form of religion that of nature worship and magic Since the last Witchcraft Act was repealed in 1951 the revival of public interest in witchcraft has been the subject of continuous controversy This book is a serious contribution to the study of a subject too long obscured by prejudice and sensationalism   **Bulletin of the Public Library of the City of Boston** Boston Public Library,1900
