Piano Lessons Noah Adams,1997-03-10 Piano Lessons is Noah Adams s delightful and moving chronicle of his fifty second year a year already filled with long fast workdays and too little spare time as he answers at last a lifelong call to learn to play the piano The twelve monthly chapters span from January when after decades of growing affection for keyboard artists and artisans he finally plunges in and buys a piano through December when as a surprise Christmas present for his wife he dresses in a tuxedo and in flickering candlelight snow falling outside the windows he attempts their favorite piece of music a difficult third year composition he s been struggling with in secret to get to this very moment Among the up tempo triumphs and unexpected setbacks Noah Adams interweaves the rich history and folklore that surround the piano And along the way set between the ragtime rhythms and boogie woogie beats there are encounters with and insights from masters of the keyboard from Glenn Gould and Leon Fleisher I was a bit embarrassed he writes telling Leon Fleisher about my ambitions for piano lessons is like telling Julia Child about plans to make toast in the morning to Dr John and Tori Amos As a storyteller Noah Adams has perfect pitch In the foreground here like a familiar melody are the challenges of learning a complex new skill as an adult when enthusiasm meets the necessary repetition of tedious scales at the end of a twelve hour workday Lingering in the background like a subtle bass line are the quiet concerns of how we spend our time and how our priorities shift as we proceed through life For Piano Lessons is really an adventure story filled with obstacles to overcome and grand leaps forward eccentric geniuses and quiet moments of pre dawn practice as Noah Adams travels across country and keyboard pursuing his dream and keeping the rhythm

Death's Old Sweet Song Jonathan Stagge,2018-08-07 A song holds the key to murder in this Dr Hugh Westlake mystery from the Edgar Award winning author who wrote the Peter Duluth series as Patrick Quentin Patrick Quentin best known for the Peter Duluth puzzle mysteries also penned outstanding detective novels from the 1930s through the 1960s under other pseudonyms including Q Patrick and Jonathan Stagge Anthony Boucher wrote Quentin is particularly noted for the enviable polish and grace which make him one of the leading American fabricants of the murderous comedy of manners but this surface smoothness conceals intricate and meticulous plot construction as faultless as that of Agatha Christie The affluent Bray family was known for throwing the most enjoyable picnics and this one seemed to be no different to Dr Hugh Westlake and his precocious progeny Dawn When their host s daughter breaks into a version of the old English folk ballad Green Grow the Rushes O no one gives it a second thought Little do they know the song portends

death It begins with the bodies of twin boys found in the river which connects to a lyric from the ballad And before anyone can even recover from such a horror more killings occur all diabolically tied to the song With help from Dawn and his old friend Inspector Cobb Westlake must sort through an ever shrinking circle of suspects and stop a murderer from striking another deadly note *But What I Really Want to Do Is Direct* Ken Kwapis,2024-05-01 The veteran film and TV director shares industry secrets and inspiring advice in this hilariously candid Hollywood memoir For over three decades director Ken Kwapis has charted an exceptional career ranging from seminal shows like *The Office* to beloved films like *He's Just Not That Into You* But becoming one of the most respected directors in Hollywood wasn't easy With each triumph came the occasional faceplant Now in this thoroughly entertaining memoir Ken shares his hard earned wisdom and inside knowledge tackling plenty of Hollywood myths along the way It's a rollercoaster ride fueled by brawls with the top brass clashes over budgets and the passion that makes it all worthwhile Combining inspiring instruction with behind the scenes hilarity *But What I Really Want to Do Is Direct* is a celebration of the director's craft and what it takes to succeed on your own terms in show business Ken Kwapis always brought out the best in the actors on *The Office* Every aspiring director should read this book I can think of several professional directors that should read it too Jenna Fischer In the years that I was fortunate to work with Ken on *Malcolm in the Middle* he had an uncanny ability to guide actors right to the heart of a scene and reveal its truths Bryan Cranston **Billboard** ,2001-06-02 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends An Educational Primer for the Majority Student D.S.
