Joseph Conrad, 1925 **Staging Habla de Negros** Nicholas R. Jones, 2019-05-01 In this volume Nicholas R Jones analyzes white appropriations of black African voices in Spanish theater from the 1500s through the 1700s when the performance of Africanized Castilian commonly referred to as *habla de negros* black speech was in vogue Focusing on Spanish Golden Age theater and performative poetry from authors such as Calderón de la Barca Lope de Rueda and Rodrigo de Reinosa Jones makes a strong case for revising the belief long held by literary critics and linguists that white appropriations and representations of *habla de negros* language are racist buffoonery or stereotype Instead Jones shows black characters who laugh sing and shout ultimately combating the violent desire of white supremacy By placing early modern Iberia in conversation with discourses on African diaspora studies Jones showcases how black Africans and their descendants who built communities in early modern Spain were rendered legible in performative literary texts Accessibly written and theoretically sophisticated Jones's groundbreaking study elucidates the ways that *habla de negros* animated black Africans agency empowered their resistance and highlighted their African cultural retentions This must read book on identity building performance and race will captivate audiences across disciplines [La virgen de los narcisos](#) Giovanni Cruz, 1993 *Blanco y negro*, 1894 **World Literature in Spanish** Maureen Ihrle, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However World Literature in Spanish An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children's literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration [The Reception of Joseph Conrad in Europe](#) Robert Hampson, Véronique Pauly, 2022-05-05 Born and brought up in Poland bilingually in French and Polish but living for most of his professional life in England and writing in English Joseph Conrad was from the start as much a European writer as he was a British one and his work from his earliest fictions through *Heart of Darkness* *Nostromo* and *The Secret Agent* to his later novels has repeatedly been the focal point of discussions about key issues of the modern

Official Gazette Philippines,1915 *Blanco y negro* ,1959 **Fictions of the Feminine in the Nineteenth-Century Spanish Press** Lou Charnon-Deutsch,2010-11-01 How was the female body perceived in the popular culture of late nineteenth century Spain Using a wide array of images from popular magazines of the day Lou Charnon Deutsch finds that women were typically presented in ways that were reassuring to the emerging bourgeois culture Charnon Deutsch organizes the 190 images reproduced in this book into six broad categories or fictions of the feminine she reads women s bodies as a romantic symbol of beauty or evil as a privileged link with the natural order as a font of male inspiration as a mouthpiece of bourgeois mores as a focalized point of male fear and desire and as an eroticized expression of Spanish exoticism and political ambitions These imaginary visions of femininity Charnon Deutsch argues were a response to and also helped to create gendered stereotypes by suggesting ideal feminine behavior and poses Further they comprised a reassuring between male cultural medium that provided graphic validation of women s docile body for a culture enthralled with femininity Integrating the fields of literature and cultural studies Charnon Deutsch s approach to this subject is unique Many of the images collected here are available for the first time and they represent only a fraction of the two thousand images Charnon

Deutsch collected during her research This book will appeal to students of Spanish cultural studies and gender studies as well as to art historians

A History of Afro-Hispanic Language John M. Lipski, 2005-03-10 The African slave trade beginning in the fifteenth century brought African languages into contact with Spanish and Portuguese resulting in the Africans gradual acquisition of these languages In this 2004 book John Lipski describes the major forms of Afro Hispanic language found in the Iberian Peninsula and Latin America over the last 500 years As well as discussing pronunciation morphology and syntax he separates legitimate forms of Afro Hispanic expression from those that result from racist stereotyping to assess how contact with the African diaspora has had a permanent impact on contemporary Spanish A principal issue is the possibility that Spanish in contact with speakers of African languages may have creolized and restructured in the Caribbean and perhaps elsewhere permanently affecting regional and social varieties of Spanish today The book is accompanied by the largest known anthology of primary Afro Hispanic texts from Iberia Latin America and former Afro Hispanic contacts in Africa and Asia
