Ignota series World Peace turns into global civil war In the future the leaders of Hive nations nations without fixed location
clandestinely committed nefarious deeds in order to maintain an outward semblance of utopian stability But the facade could
only last so long The comforts of effortless global travel and worldwide abundance may have tempered humanity s darkest
inclinations but conflict remains deeply rooted in the human psyche All it needed was a catalyst in form of special little boy to
ignite half a millennium of repressed chaos Now war spreads throughout the globe splintering old alliances and awakening
sleeping enmities All transportation systems are in ruins causing the tyranny of distance to fracture a long united Earth and

O'Neill in China Haiping Liu,Lowell Swortzell,1992-03-23 The year 1988 was notable for being the centennial of playwright
Eugene O Neill s birth and a time of unprecedented democratization in the People s Republic of China and rapprochement
with the West In this optimal climate a remarkable festival and conference devoted to O Neill was held in Nanjing China
orchestrated mainly by Haiping Liu who secured the funds and cooperation necessary to lure noted O Neill scholars and
theatre artists from around the world Liu selected and edited papers for publication after the conference but he realized that
this would be a difficult task conducted from China At his invitation Lowell Swortzell a conference participant became co
editor and in the dark days following the political upheaval in China in 1989 Swortzell assumed much of the burden of editing
organizing clearing rights and generally readying the final volume The essays included capture the intellectual and artistic
stimulation of the conference Organized in divisions similar to the order in which the papers were delivered they explore the
major areas of O Neill scholarship by some of the most renowned scholars from the United States Western and Eastern

Europe Japan and China They emphasize O'Neill's international reputation and productions particularly in Asia Included is an open forum discussion of the festival productions as well as photographs The circumstances of the festival and conference are a story unto themselves and in their individual introductions the co editors relate some of the background and convey some of the flavor of the events providing insights into the continued appeal of O'Neill in China and the world *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **Rawhide Ranger, Ira Aten** Bob Alexander, 2011 Ira Aten was the epitome of a frontier lawman He enrolled in Company D of the Texas Rangers during the transition from Indian fighters to peace officers The years Ira spent as a Ranger were packed with adventure border troubles shoot outs major crimes and manhunts Aten's role in these events earned him a spot in the Ranger Hall of Fame **The Book Buyer's Guide**, 1967 *The Morning Star and Free Baptist*, 1902 **Corpus Juris** William Mack, William Benjamin Hale, 1915 *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress.
