Finding Grace Jane Nicolet, 2018-10-25 The journey from grief to Grace Inevitably difficult change and loss become realities for each of us and too often profound grief is only steps behind Finding Grace uses the author's personal experience as well as authentic stories of grieving parents to maintain the assertion that grace is every bit as close as grief living fully available in every human heart during troublesome times The soulful calls of grace when answered through such avenues as traditional faith spiritual mysteries supportive community mindful reflection and acceptance and loving rituals serve to carve new pathways beyond life mired in a grief filled reality The nineteen stories and eight essays presented in Finding Grace journeys of grief courage and healing follow those who are moving forward charting their own next steps toward grace

Finding Grace Loretta Rothschild, 2025-07-08 NATIONAL BESTSELLER A July Indie Next Pick A strikingly original and deeply moving debut People Begins with such a gasp inducing twist that it's almost impossible to describe Real Simple The literary book of the summer Sarah Gelman CBS Mornings SHE THOUGHT IT WAS FATE I KNEW IT WASN'T Honor seems to have everything she adores her bright and beautiful daughter Chloe and her charming handsome husband Tom even if he works one hundred hours a week Yet Honor's longing for another baby threatens to eclipse all of it until a shocking event changes their lives forever Years later Tom makes a decision that ripples through their families lives in ways he could never have foreseen As the consequences of that fateful choice unfold two women's paths become irrevocably intertwined But when old love clashes with new who will be left standing And what happens when your secrets come back to haunt you Blending a page turning moral dilemma with satisfying emotional poignancy Finding Grace is a sweeping love story that explores the price of a new beginning how the ghosts of our past shape our future and whether redemption can be found in the wreckage of what we've lost

Kim, Daniel L. Wong, 2020-06-17 No one preaches in a cultural vacuum The message of what God has done in Christ is good news to all but to have the greatest impact on its hearers or even to be understood at all it must be culturally contextualized *Finding Our Voice* speaks clearly to an issue that has largely been ignored preaching to Asian North American ANA contexts In addition to reworking hermeneutics theology and homiletics for these overlooked contexts Kim and Wong include examples of culturally specific sermons and instructive questions for contextualizing one s own sermons *Finding Our Voice* is essential reading for all who preach and teach in ANA contexts But by examining this kind of contextualization in action all who preach in their own unique contexts will benefit from this approach *Last Day on Earth* Eric Puchner, 2017-02-21 A boy on the edge of adolescence fears his mother might be a robot a psychotically depressed woman is entrusted with taking her niece and nephew trick or treating a reluctant dad brings his baby to a coke fueled party a teenage boy tries to prevent his mother from putting his estranged father s dogs to sleep Ranging from a youth arts camp to an aging punk band s reunion tour from a dystopian future where parents no longer exist to a ferociously independent bookstore the stories in this collection revolve around the endlessly complex frequently surreal system that is family *Faithful Generations* Russell Jeung, 2005 With rich description and insightful interviews Russell Jeung uncovers why and how Chinese and Japanese American Christians are building new pan Asian organizations Detailed surveys of over fifty Chinese and Japanese American congregations in the San Francisco Bay area show how symbolic racial identities structure Asian American congregations Evangelical ministers differ from mainline Christian ministers in their construction of Asian American identity Mobilizing around these distinct identities evangelicals and mainline Christians have developed unique pan Asian styles of worship ministries and church activities Portraits of two churches further illustrate how symbolic racial identities affect congregational life and ministries The book concludes with a look at Asian American led multiethnic churches *The River and the Road* Arthur Young, 2010-01-20 meta http equiv Content Type content text html charset utf 8meta name ProgId content Word Documentmeta name Generator content Microsoft Word 11meta name Originator content
