The Journey to Finding Your Lost Identity M &

E,2018-12-20 It s admirable to write books about wealth prosperity growth and becoming who you were called to be however

while writing this book I realized that you can't have wealth prosperity and or walk in who you were called to be if you don't know who you are On this journey called life I have heard people say this is the way we have always done it so there is no need to change Hearing those words over and over again made me realize that now more than ever change needed to take place You may be saying I haven't lost my identity but let me tell you throughout your life if you have had any encounters with people you have lost your identity People have a way of speaking things over you not realizing those words can have positive or negative results We have all been defined and redefined by words that were spoken over our life

Identity Crisis Marie Gladden, 2017-06-15 Did you know that you are created for a purpose and on purpose Do you know what your purpose is In her new book *The Identity Crisis Who Am I* Dr Marie C Gladden will help you to get a better understanding of how to identify who you are and why you are so that you can begin to take the steps towards fulfilling the will of God for your life You are created on purpose and for a purpose The majority of the people today are existing but are not living They have an inner desire to do more and to be more but don't know how to get from hoping to becoming What it boils down to is that we don't know what we don't know The time to get in the know to learn how to grow so that we can go is now You will never find true and lasting fulfillment until you identify your reason for being your purpose It doesn't matter how much money you make how much fame you find how many degrees you have or what you do in life if it's not what you were created to do Stop living the life you think you should live and start living the life you were meant to live
