The Big Gamble takes you on an armchair journey from the tulip fields of 17th century Holland and the South Seas to the gaming tables in Las Vegas. Discover how economic bubbles form and learn about an early warning system you can use to either avoid the next one or wisely capitalize on it. In plain English without jargon or blue sky economic theory, discover why you're not really playing it safe when you invest conservatively even in U.S. Treasury bills or mutual funds. Nine financial risks you need to watch out for when building a portfolio or allocating investments in your 401(k) plan. The twelve cardinal rules of speculating that are critical to successfully making your assets grow. Why you should think twice before sinking your life savings into economic icons like General Motors or Wal-Mart. Three surefire economic signals that will show you the next big thing and identify potential bubbles when they are beginning. EQ and Leadership In Asia Sebastien Henry, 2011-05-23. Increase your emotional intelligence, build a better workplace. Emotional intelligence is crucial for business leadership and nowhere is that more true than in Asia, where emotions are particularly likely to be concealed during daily business interactions. Emotions can be a major asset for leaders if properly understood and a source of significant disruption if they are ignored. EQ and Leadership in Asia provides business leaders in Asia with the keys to using emotions as allies as they face practical business challenges. Presenting emotional intelligence in a clear, straightforward manner that anyone can understand, the book shows what it can accomplish, why it matters and how to systematically improve your ability to understand emotions. Looking at the real challenges that leaders in Asia have to face every day and exploring how emotional intelligence can be used in each instance, this compelling book is essential reading for leaders who want to inspire and influence their coworkers and lead their companies to greater success. Explains the key concepts of emotional intelligence and its particular importance for those in leadership positions. Explores why understanding emotion is particularly important for Asian leaders. Provides practical examples of emotional intelligence techniques in action in real-world situations. A guide to emotional intelligence designed for people working in leadership positions in Asia.
