thoughtful Bush's War shows how public perception of what the president says is shaped by media bias Jim A Kuypers compares Bush's statements with press coverage arguing that the nature of American public knowledge concerning our role in the world has been changed not by 9/11 but by the subsequent argumentative back and forth between Bush and the press

Carroll,2012-05-03 Crystallizing Chaos is a wryly comic tale of balancing academia with action and replacing footnotes with a sense of fun A high brow college student Daniel Coventry hopes to be a writer He encounters the forgotten but immensely gifted pulp novelist Stephen Chidley who wrote action oriented novels by the dozens in a month apiece while living his adventures He is also inspired by

the novelists granddaughter Dora who resides in Stephens home near Daniels dorm Through Daniel they become entangled with his best professor Cynthia Schuler an outspoken feminist and scholar Cynthia also wrangles with her chauvinist unfaithful husband and has fallen for her favorite student after many rounds of lovemaking in her office Each of them confronts the fear of failure Daniel is afraid of flunking if he cant complete a novel for his graduation Stephen is afraid that he abused his fabulous storytelling talents as a pulp writer who came close to greatness only in a single memorable novel Dora is afraid of any loss of independence Cynthia is afraid of failing Daniel and of losing him to Dora Step by comic misstep they confront their differences and the chasm that divides the ivory tower from popular culture With a month remaining they decide that only one solution will enable Daniel to begin his book and race to finish it in time for graduation Let him crystallize the chaos of their year long battle in a way that blends the best of academia and action
