Lost But Not Hopeless Addressing The Crisis Of Addiction Within The Church Family:

Lost But Not Hopeless Wendell J. Davis, 2005-08 Substance abuse causes you to become lost in a life of addiction and abuse often times finding yourself feeling hopeless while in the church Lost but not hopeless is a subject that is practically never discussed in the church or religious settings Although substance abuse has begun to pick up its pace more through Alcoholic Anonymous Cocaine Anonymous Narcotics Anonymous Co dependent Anonymous Alanon Alateen and many other self help public education groups This problem does not only exist in society as a whole but within the Christian homes schools communities jobs and yes within our political Governments in these United States There is a problem in our Country with very high death rates of the African American males very high rates of incarcerated African American males due to criminal activity and substance abuse is the number one contributing factor to these statistics I have experienced the effects of substance abuse for many years it has devastated my family friends and community for a long time During the pass ten years I have dedicated my time and efforts to education in the areas of drugs alcohol and the abuse of these diseases Our Country is in a state of emergency in regards to this disease More and more families daily have lost their hope lost their confidence lost their respect lost their opportunities in life lost their directions and lost their relationship with God because of substance abuse This problem is not going to go away on its own We must all take enough time out to help our brothers and sisters in the Lord We are all God s children black white brown green and yellow Before I precede any further let us look at the definition of the words lost hopeless and substance abuse Lost or loss deprivation something taken away misplaced wasted no longer in one s possession no longer in evidence Hopeless no desire or any anticipation with expectation of fulfillment no confidence at all Substance Abuse the material of which something is made and improperly used that causes harm any illicit drug or alcohol that causes mind altering and mood altering to an individual which impairs their emotional psychological and physiological being 1 Do you know of any one that may be suffering with the disease of alcoholism and drug abuse If you were to come into contact with someone that needed your assistance with this type of problem could you help them would you help them and if so what means of help do you think you would be able to provide them These are a few of several questions that we will be able to look at throughout this book As members of the body of Christ all saints need to be equipped with the resources to minister to all of those in need of healing This means that you must be able to reach that lost soul or the broken and wounded sinner who needs to be renewed within their mind body and soul Substance abuse is a subject that no one wants to discuss within the church and this is causing the church to lose many wounded saints back into the world because of our lack of knowledge to be able to deal with these conditions which do exist within our churches concept As I discuss the many different issues that are encountered with substance abuse I want you to understand that anyone can be delivered from substance abuse through their faith and trust in Jesus Christ You will find that the road to deliverance is as tough road but with God all things are possible **The Advocate** ,2002-11-12 The Advocate is a lesbian

same advice Mike received with similarly poor results Until in their frustration God led them back to basic addiction breaking truths of His Word The authors explain these for readers who want to help someone or who struggle themselves because freedom from addiction is found only when Christians fully believe what God says about their identity move beyond the 12 Step concept of inescapable addict identity stop harboring unforgiveness get radically right with God and dwell in who they are in Christ which excludes engaging in addictive behaviors as a lifestyle Material on codependency is included as is information on implementing recovery support groups for those leaving addiction and starting to live in God's glorious freedom

Clean and Free Ronald Morse, 2020-10-29 There is a crisis in the world today and that is the crisis of addiction It is not new nor even extraordinary but common and universal in the history of mankind The world is always looking for answers for reasons and solutions to all of our problems There is a new remedy out there for everything it seems and they all claim to have the sure thing The problem is that too many of them don't work at all and too many more simply miss the mark They don't really understand what the root of the problem is and therefore cannot find the solution This is evident in the war on addiction what it is and whom it affects Where can we find the truth of what it is and its root cause and how to defeat it The Bible is the most amazing book in the history of the world It not only tells us what our problem is but also how it came to be what its consequences are and even how it can be corrected The answers are all there if we are careful to look This work is a biblical understanding of addictive behaviors and how in just a few steps we can identify them and overcome them God loves you and wants you to be free and for your life and family to be restored He came to this fallen world in the person of Jesus Christ to make us clean and free

When Substance Abuse Attacks Your Home Fred Gurule, 2004-03 *Jesus and the Addict* Pam Morrison, 2019-11 We face a profound problem in this country and around the world the plague of drug addiction Lives are being lost and destroyed Many people are affected by this issue in some way via family members friends or co workers The question is How can people find true healing of the physical emotional and spiritual needs involved in their addiction The author proposes leading addicted people to faith in Jesus Christ Jesus and the Addict 12 Bible Studies for People Getting Free from Drugs is designed to help leaders in Christian faith based recovery to guide those who come to their communities toward continuous freedom from drugs The book contains twelve studies with biblical guidance on varying issues with which people in recovery struggle such as overcoming fear learning to have hope overcoming resentment and dealing with forgiveness Jesus Christ is the answer in all these things Deepened relationship with Him and the transforming effect of His power and love bring redemption and new life The book is intended for pastors mentors sponsors and teachers anyone working in jail prison transitional communities or in churches to help recovering addicts The studies are designed to be shared in large group settings a speaker providing the teaching talk Following that teaching time the large group can then break out into small groups for discussion of the teaching However this material is workable within a single small group as well as a large one the small group hearing the talk less formally and then discussing it Each of the twelve lessons contains a

verse or key verses from the Bible about a particular topic Those Bible verses form the basis of the lesson There is then a section with discussion about the background and state of mind of people seeking recovery for the speaker to consider about those who will be in the listening audience The author s experience has largely been with people who are lower income or poor but addiction affects all classes of society and both urban and rural populations The concepts discussed in the background and state of mind section are adaptable to varying recovery audiences A prayer for the speaker is included next Following the prayer there is a sample talk section where some key points are given This talk can be modified to fit the speaker s own experiences and their audience And each chapter concludes with sample questions that can be used to stimulate conversation within your recovery group The book also contains teaching and theology about the nature of God as Father Son and Holy Spirit An explanation of the cross event resurrection and the meaning of the Holy Spirit in the life of believers is explained such that people in recovery can understand God as being full of grace and as a source of great empowerment The presentation of the present day healing ministry of Christ gives hope to the addict that they can permanently be freed from drugs and feel the lifting of guilt and shame They can also take their place as a useful and contributing part of the kingdom of God and in society Dr Pam Morrison the author is an ordained pastor from the Free Methodist Church She has led or helped to lead six churches She has volunteered with Prison Fellowship and has ministered with addicts in several settings Her belief is that medical and secular means have been and are used to help addicts but the greatest help anyone can receive to achieve permanent freedom is to find faith in Jesus Christ So much more help is needed for addicts and families of addicts We are short on places and those who will walk steadfastly with people seeking recovery This is a ministry urgently needed in this hour

minister to Many motivating factors for addiction are covered throughout this book such as anger depression isolation bitterness and many more This curriculum and special edition is being published to meet the requests of other local churches and organizations who have expressed a feeling of loss and hopelessness when attempting to help those they serve We have decided to offer this manual to help those organizations who are drawn to do something to help the fight but don't necessarily know where to start Excerpt from Overcome Introduction Chapter Development The premise for Overcome is rather straightforward addiction as a side effect of a much larger issue Usually a lot of hidden issues that act as motivations for addiction which we address in 17 topical sessions There was no way I could be all inclusive with the motivations If I were the class would go on forever Regardless from research and examples in my own life I began to see trends in emotional reactions I had resulting from circumstances and strings of events that could have turned out much differently had I exhibited a few mature thoughts and what the bible calls wisdom and discretion I have however realized I am always going to have the need to pour myself into something Good or bad I could choose to fight that personality flaw and live an exhausting existence mired down by restraint or give it to God and let Him transform it into something better Note from the author Joshua Staton Thank you for your time and willingness to at least consider reaching in to your community and families to help restore broken homes dreams and lives What I attempted to do in this edition was capture the guiding principles and overall essence of our approach to this specific ministry field But there is only so much written words can say While our secondary goal is to get people living clean and sober lives our primary concern has and always will be leading and helping them through establishing their relationship with their savior Jesus If you need more information or encouragement please don't hesitate to contact me Thank you again

Now What?* Jonathan Okinaga, PhD, 2020-07-14 One of the most heartbreaking things that can happen to a parent or spouse is the realization that their child spouse is struggling with substance abuse Feelings of shame guilt anger frustration and fear are common emotions when a family finally comes to grip with the fact that their loved one is an addict These emotions may contribute to the unfortunate action of sweeping the addiction under the rug Whispers may happen at family gatherings during the holidays about a loved one being sent off to treatment or being arrested for a DUI but rarely is it something that is openly discussed There is shame that overtakes the immediate family and the quicker it can be forgotten the better it is for everyone What I am here to tell you is that addiction is not as rare as you may think It ravages families of all socioeconomic standings races religions and creeds Substance abuse has recently overtaken car accidents in deaths per year in America The War on Drugs started in the 1980s and it is an abject failure It s time to talk about addictions and what families can do to help their loved ones Before I go any further a question needs to be answered Why should anyone trust what I have to say on the topic After battling substance abuse from my teens In 2007 at the age of 30 I finally gained sobriety I have maintained sobriety since May 6 2007 and have worked in the recovery field since 2008 I have been employed and interned at one of the most respected dual diagnosis drug and alcohol treatment centers in America I was on the front lines running sober living homes as a house manager life coach during the peak of the opioid epidemic for four years I established my own sober life coaching center and have been a recovery pastor since 2010 For years families of those that I worked with have been asking me to write a book to help others After completing my undergraduate Masters and Ph D in under eight years I finally had the time to commit I decided to write a book for the families of addicts for this reason When I first admitted to my parents that I was a drug addict and needed help they had no idea what to do They called their church the state convention for their denomination and other friends they could trust No one had an answer or idea what steps to take next As I have worked with families through the years the same can be

said today There are many resources for the addict but not much help for the families My hope and prayer is that this book will equip teach and allow families to not only understand addictions but also provide a stable home to assist their loved one to live a life free from substance abuse **Addiction** Brian Neal,2010-05-12 Short concise and to the point Written by a recovering Addict from a Christian perspective This book covers the effects of Addiction on the Addict on the Addicts family and loved ones The problems caused by Enabling and who is to blame for the Addict s addictions God s plan of Tough Love and where to turn for help and support This is a plain and simple guide how God and you can help the Addict using scripture from the Bible and how it applies to all of us
