**Memoir of a Lost Childhood** Yona Kunstler Nadelman, 1999\*      **Lost Childhood** Anilava Roy, 2018-12-12 People of our generation in the age bracket of 40 to 60 are the last of the generation who had a childhood which would never come back It was simple and had a lot of happiness around small things It was carefree and adventurous in contrast to today's generations who will never experience the childhood which we did despite the advancement of technology and the improvement in the standard of living The small joys in life are no longer there and even after having everything in life it does not seem enough The idea of this book is to bring forth the childhood which many of our generations would be able to relate to and savour The book also highlights to today's generation as to what they are missing in their childhood It may bring out some of those aspects in their childhood This book is not a simple memoir of childhood It is an attempt to capture the childhood of a child of a middle class family who travelled through 8 cities lived in around 10 houses and studied in around 8 schools It is also about the various incidents cities and its foods      **A Conversation About Happiness** Mikey Cuddihy, 2014-09-01 Orphaned at the age of nine Mikey Cuddihy left the U S to board at an experimental British school A vivid and intense memoir of coming of age amidst the unraveling social experiment of the late 1960s When Mikey Cuddihy was orphaned at the age of nine her life exploded She and her siblings were sent from New York to board at experimental Summerhill School in England and abandoned there The setting was idyllic lessons were optional pupils made the rules Joan Baez visited and taught Mikey guitar The late sixties were in full swing but with total freedom came danger Mikey navigated this strange world of permissiveness and neglect forging an identity almost in defiance of it      *Sickened* Julie Gregory, 2004-09-28 A remarkable memoir that speaks in an original and distinctive Midwestern voice rising to indelible scenes in prose of scathing beauty and fierce humor A young girl is perched on the cold chrome of yet another doctor's examining table missing yet another day of school Just twelve she's tall skinny and weak It's four o'clock and she hasn't been allowed to eat anything all day Her mother on the other hand seems curiously excited She's about to suggest open heart

surgery on her child to get to the bottom of this She checks her teeth for lipstick and as the doctor enters shoots the girl a warning glance This child will not ruin her plans From early childhood Julie Gregory was continually X rayed medicated and operated on in the vain pursuit of an illness that was created in her mother s mind Munchausen by proxy MBP is the world s most hidden and dangerous form of child abuse in which the caretaker almost always the mother invents or induces symptoms in her child because she craves the attention of medical professionals Many MBP children die but Julie Gregory not only survived she escaped the powerful orbit of her mother s madness and rebuilt her identity as a vibrant healthy young woman Punctuated with Julie s actual medical records Sickened re creates the bizarre cocoon of her family s isolated double wide trailer their wild shopping sprees and gun waving confrontations the astonishing na vet of medical professionals and social workers It also exposes the twisted bonds of terror and love that roped Julie s family together including the love that made a child willing to sacrifice herself to win her mother s happiness The realization that the sickness lay in her mother not in herself would not come to Julie until adulthood But when it did it would strike like lightning Through her painful metamorphosis she discovered the courage to save her own life and ultimately the life of the girl her mother had found to replace her Sickened takes us to new places in the human heart and spirit It is an unforgettable story unforgettably told

powder and a kiss on the cheek But soon everything Jennifer has come to love and rely on begins to crumble sending her on a roller coaster of loss and loneliness In a world unhinged by tragedy where beautiful mothers die and families are warped by more than they can bear a young girl must transcend a landscape of pain and mistreatment to discover her richest resource her own unshakable will to survive

**A Childhood**

**Memoir** Melanie Lowy, 2011-09-19 The stomping of black booted automatons the drums beating in tune to murderous chants of hatred a retentive memory of a little girl has captured it all Her early serene Munich childhood wiped out a school in flame a journey alone to England ahead Gone is the school she loved Parted from her adored father with whom she endured prison and worse Stored away safely is her memory of GRAF ZEPPELIN the hideous faces of the Nazi leaders and her love of Munich KINDERTRANSPORT to England aged nine without friend or language leaves her traumatised unused as she is to cope with caring for herself Stays at holiday camps with a kind generous Jewish family in London then it is off once more with Jewish schoolchildren to Bedfordshire weeks before WW2 A love affair begins with the English country side and its animal inhabitants Evacuated to an ancient farm house with no amenities whatever where she is joined by her pious old grandmother she settles down to school life in this strictly orthodox school new friends all refugees Through her father a well known poet she discovers what is happening to Jews in Europe early on and her faith is shattered A contrasting tale of two childhoods one recalling a deceptively idyllic beginning the other an awakening in a strange but charitable land and the forever haunting realisation of what has been done to her people This is a unique portrait of childhood
