S. Rayborn,2020-03-05 Opus and Felicity are two marionettes who have been left hanging on the back wall of an attic in an abandoned house They once were special hand carved Christmas presents for a little boy and a little girl from their grandpa who loved them dearly But that was a long long time ago and though Felicity dreams of playing with children again there doesn t seem to be any hope Then one stormy day two passion fairies Tulip and Amelia stumble into the empty attic where Opus and Felicity live and the four quickly become friends But when a pair of noisy humans come in and talk about burning and demolishing the house the puppets know their home will soon be gone and them with it if they can t escape With the help of Solomon a wise old oak tree the fairies begin to looking for a way to save Opus and Felicity from destruction Can all the fairies come together to protect something precious and preserve the puppets dignity and lives In this illustrated novel a community of fairies works to rescue a pair of puppets left behind in an abandoned house that s about to be destroyed Flights of Fancy, Leaps of Faith Cindy Dell Clark,1995 Through the mysteries and myths of Christmas and Easter families balance the values of receiving and giving of growth and sacrifice Each aspect of the Santa myth from his slide down a chimney to his big red suit plays a part in a child s imagination Through their offerings of milk and cookies and their letter writing children bring their relationship to Santa into developing attitudes toward giving and receiving gifts The Easter Bunny story with its ritual egg hunt and baskets of brightly colored candy is explored in terms of life and its possibility of growth In these examples Clark shows how children play an active role in constructing family rituals and cultural reality since their willingness to make the stories their own helps to renew the traditions **Blossom and the Fairyland Festival** Jessa Sparkes,2017-04-15 **Delphi Complete Novels of Frances Hodgson Burnett (Illustrated)** Frances Eliza Hodgson Burnett,2014-11-22 Famous for the beloved children s classics The Secret Garden and Little Lord Fauntleroy Frances Hodgson Burnett produced a large body of fiction that firmly established her name on both sides of the Atlantic This comprehensive eBook presents the complete novels of Frances Hodgson Burnett for the first time in publishing history with numerous illustrations rare texts informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Burnett s life and works Concise introductions to the
