Open Wide the Gates Brian D. Cunningham,2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn t have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully developed biblical theological and

Blits,2011-01-01 *Turning Telling Moments in the Classical Political World* examines developments in the classical political world which are both turning and telling moments All the moments from Theseus s founding of Athens to Augustus s establishment of the Principate possess the double character of being turning points and revealing fundamental aspects of the ancient political world While most books on ancient history are chiefly concerned with questions of literary sources and historical accuracy this book deals with the significance of the facts and reports themselves Blits treats the ancient histories as works of reflection rather than works of research Instead of focusing on whether or how the ancient historians meet the professional standards of present day historiography Blits reveals the way they themselves understand and intend us to understand the ancient world

Imagining Jesus in His Own Culture Jerome H. Neyrey,2018-08-09 Every disciple imagines Jesus reading the Gospels we form images of him and of his surroundings This has been constant practice for those who desire to know him more clearly

We however borrow stuff from stained glass windows book illustrations and the like which is always familiar to us but which reflects our not his culture This book invites readers to construct different scenarios about Jesus and his world from the study of his ancient culture We do this with accuracy because of the advance of cultural studies of his and our worlds Jesus should look different wear different clothing experience different grooming in settings foreign to us in houses and boats from his own world Jesus should speak differently so that the meaning of his words can only be known in his culture In this book readers travel through the Gospels with specific suggestions about what to see namely Jesus in his cultural world Imagining Jesus also suggests how to listen to him in his cultural language Did Jesus laugh How did he pray This is what the incarnation means imagining Jesus socialized in a particular culture at a time foreign to us and in a language strange to us
