**Canadian Society in the Twenty-First Century, Fourth Edition** Trevor W. Harrison, John W. Friesen, 2021-03-03

Confederation may have established Canada's nationhood in 1867 but the relationships framing Canada's modern existence go back much further. Employing a unique socio-historical perspective, *Canadian Society in the Twenty-First Century* examines three formative relationships that have shaped the country: Canada and Quebec, Canada and the United States, and Canada and Indigenous nations. Now in its fourth edition, this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics. Trevor W. Harrison and John W. Friesen weave together complex aspects of the nation's economic, political, and socio-cultural development. They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades. Reflecting the most current scholarship in the field, this revised edition features new discussions on issues such as the current crisis of neo-liberal globalization, Canada's petroleum industry, global warming, the Wet'suwet'en dispute in 2020, and the COVID-19 pandemic. Exploring the unique character of Canada today, this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history.

*Margaret Atwood* Reingard M. Nischik, 2000. Novelist, poet, cultural critic.

Margaret Atwood is one of the most fascinating, versatile, and productive authors of our time. A superb writer in any genre she chooses to tackle, this book was prepared on the occasion of Atwood's sixtieth birthday in November 1999. Its first aim is therefore to take stock of Atwood's multifarious works and international impact at the height of her creative powers. Secondly, the book serves as a wide-ranging introduction to the writer and her works. Fifteen informative articles, written specifically for this volume by Atwood specialists from Canada, the USA, the UK, Germany, and France, treat her life and status, her works up to date, survey articles on Atwood's novels, short fiction, poetry, and literary and cultural criticism, and important approaches to her works from the standpoints of gender, politics, mythology, ecology, popular culture, constructivism, and Canadian nationalism. A final section on creativity, transmission, and reception includes an interview with Atwood on creativity, statements by some of Atwood's important transmitters including publishers, editors, literary agents, and translators, and some 15 statements by Atwood's fellow writers in which they explore her importance for them. A number of photographs of Atwood, several cartoons drawn by her, an up-to-date bibliography of works by and about Atwood, and an index round out the volume. Reingard M. Nischik is Professor of American literature at the University of Konstanz, Germany.
