**Creatures of the Same God** Andrew Linzey, 2009 I don't know why you're spending all your time on this. They're only animals for heaven's sake. That was the reaction of one of Andrew Linzey's fellow students at King's College London when he was studying theology in the 1970s. Since then the now Rev Dr Andrew Linzey has been arguing that animals aren't only anything but rather that they matter to God and should do so to us. In this collection of essays Linzey counters with his customary wit erudition and insight some contemporary and perhaps surprising challenges to animal rights from ecotheologians the Church and politicians. He contends that far from the sometimes shallow judgments of those who think animals unworthy of theological consideration

the Christian tradition has a wellspring of sources and resources available to taking animals seriously Instead of being marginal to the Christian experience Linzey concludes animals can take their rightful place alongside human beings as creatures of the same God There is a long forgotten spiritual tradition that two children both named Jesus were born in Bethlehem to two sets of parents named Joseph and Mary This tradition is supported by the different accounts of the nativity and life of Jesus Christ in the gospels of Matthew and Luke Although the Church chose to ignore this tradition something of it survived in early Christian art and symbolism The full tradition was preserved only in the literature of esoteric sects such as Gnosticism which remained outside the official teachings of institutionalized Christianity

**Christianity and Confucianism** Christopher Hancock, 2020-12-10 Christianity and Confucianism Culture Faith and Politics sets comparative textual analysis against the backcloth of 2000 years of cultural political and religious interaction between China and the West As the world responds to China's rise and China positions herself for global engagement this major new study reawakens and revises an ancient conversation As a generous introduction to biblical Christianity and the Confucian Classics Christianity and Confucianism tells a remarkable story of mutual formation and cultural indebtedness East and West are shown to have shaped the mind heart culture philosophy and politics of the other and far more perhaps than either knows or would want to admit Christopher Hancock has provided a rich and stimulating resource for scholars and students diplomats and social scientists devotees of culture and those who pursue wisdom and peace today
