through the loss of innocence into adulthood and beyond New York Times bestselling author John Connolly tells a dark and compelling tale that reminds us of the enduring power of stories in our lives **Australian Made** Sonia Mycak, Amit Sarwal, 2010 Climate change is particularly visible in Australia with globally recognised icons such as the Great Barrier Reef the Murray Darling River Antarctica and the surrounding oceans all deeply vulnerable and already under attack As a nation with a rich environmental heritage our response to climate change as individuals and policymakers relies on an accurate understanding of the current state and evidence of intervention efficacy Climate alert presents scholarly research on climate change monitoring and strategy It covers a diverse range of today's issues and seeks to promote climate change monitoring as an essential tool in both effective mitigation and urgent adaptation **The Ostrich and Other Lost Things** Beth Hautala, 2018-02-20 In this beautifully written novel the bonds and challenges of caring for a sibling with autism are bravely explored along with the pain and power that comes from self discovery Eleven year old Olivia Grant has a knack for finding lost things She can find lost rings pets and even her elderly neighbor's misplaced glasses There's only one thing Olivia has never been able to find her brother Jacob's toy ostrich It wasn't until the day Jacob lost his ostrich that Olivia noticed how different he was Jacob is autistic and though she's his little sister Olivia often feels like the older of the pair his caretaker And with her parents so heavily focused on maintaining status quo for Jacob it's Olivia who has stagnated in his shadow unable to explore new opportunities or to be her own person In fact apart from being Jacob's sister Olivia's not really sure who she is So when summer break begins and the local community theater announces auditions for an all children's production of her favorite show Peter Pan Olivia jumps at the chance to claim something for herself But what begins as a promising opportunity and a wonderful escape quickly becomes pure chaos The visiting zoo with an odd assortment of animals including an ostrich that causes even more trouble than Jacob's missing toy only make matters worse as Olivia's summer is shaping up to be just as consumed by Jacob's needs as the rest of her life has been In time and with the help of some unlikely alliances Olivia must learn what it means to be separate from her brother and still love him how to love herself in spite of her own flaws and that not all lost things are meant to be found Praise for The Ostrich and Other Lost Things The Ostrich and Other Lost Things is a delicate warm textured novel that explores the wonder pain envy and intimacy of sibling relationships Written with a huge dose of compassion and vulnerability there is so much to love about the world Olivia and her brother Jacob inhabit I lost myself in this wonderful world and I know that Olivia herself wouldn't be able to find me Corey Ann Haydu author of The Someday Suitcase and Rules for Stealing Stars Beth Hautala weaves a powerful tale about the challenges of having a sibling with autism Olivia steals our heart as she tries to find what is lost and make her family whole again The Ostrich and Other Lost Things is full of memorable characters riveting moments and surprising turns that add up to a very heartwarming and magical read I loved it Dana Middleton author of The Infinity Year of Avalon James A brave beautiful story I loved this book Paul Acampora author of I Kill the Mockingbird Hautala offers an emotionally adept story

about love and understanding School Library Journal This is hands down the best book with an autistic character that I have ever read I would recommend this title for those who enjoy books like Wonder Knopf 2012 Out of My Mind Atheneum 2010 and The Running Dream Knopf 2011 It has a wonderful plot that readers will love and teaches a lot about dealing with individuals who are diagnosed with autism This is a must read School Library Connection A heartfelt story of sibling relationships self discovery and unconditional love Voice of Youth Advocates While readers with neurodiverse siblings are the obvious audience for this the anxieties Olivia expresses and her attempts to control outcomes will resonate with a much broader spectrum of tweens Bulletin of the Center for Children's Books *The Key of Lost Things* Sean Easley,2019-09-03

Literacy in the Arts Georgina Barton, 2014-04-01 This book explores the many dialogues that exist between the arts and literacy. It shows how the arts are inherently multimodal and therefore interface regularly with literate practice in learning and teaching contexts. It asks the questions: What does literacy look like in the arts? And what does it mean to be arts literate? It explores what is important to know and do in the arts and also what literacies are engaged in through the journey to becoming an artist. The arts for the purpose of this volume include five art forms: Dance, Drama, Media Arts, Music and Visual Arts. The book provides a more productive exploration of the arts-literacy relationship. It acknowledges that both the arts and literacy are open-textured concepts and notes how they accommodate each other, learn about and from each other and can potentially make education better. It is when the two stretch each other that we see an educationally productive dialogic relationship emerge.
