The twelve stories appropriate for bedtime are introduced by scripture texts that can be memorized by even young children Lessons of Gods protection answered prayers the care of angels thankfulness and Gods direction in our lives are but a few of the faith building topics covered Each story is beautifully illustrated by the watercolor and colored pen artistry of the authors good friend Darla Hanson The authors purpose in writing this book is to provide yet another avenue for children to know Jesus in their formative years and develop a growing and lifelong relationship with him Her prayer is that one of these stories might linger in your childs memory as a reminder of Gods love and care in trying Meet Me at the Fair: A World's Fair Reader Celia Pearce, Bobby Schweizer, Laura Hollengreen, Rebecca Rouse, 2014 Together with the Olympics world's fairs are one of the few regular international events of sufficient scale to showcase a spectrum of sights wonders learning opportunities technological advances and new or renewed urban districts and to present them all to a mass audience Meet Me at the Fair A World's Fair Reader breaks new ground in scholarship on world's fairs by incorporating a number of short new texts that investigate world's fairs in their multiple aspects political urban architectural anthropological sociological technological commercial popular and representational Contributors come from eight different countries and represent affiliations in academia museums and libraries professional and architectural firms non profit organizations and government regulatory agencies In taking the measure of both the material artifacts and the larger cultural production of world's fairs the volume presents its own phantasmagoria of disciplinary perspectives historical periods geographical locales media and messages mirroring the microcosmic form of the world s fair itself No-Sitch the Hound Phil Stong, 2015-07-03 Bert was nine years old and really needed a dog So along came No Sitch He was a dog that moved and galloped loped singlefooted paced or cantered and often tried to do them all at once As a puppy he stood about two feet six in his bare feet and was about three cats long Afterward he grew Probably the most unusual endearing dog ever to grace the pages of a book No Sitch is a one of a kind dog in a one of a kind story The Iowa Kids 1910 series is a collection of three unforgettable stories humorously captured and simply told Farm Boy High Edgar: The 7:58 Phil Stong, 2015-07-03 Edgar's crew was made up of five people the hoghead Waters No Sitch the Hound the hothead the front snake the back snake and the conductor the fathead or swellhead But much to Edgar's disgust his crew argued all the time Argue Argue Argue Chaw Chaw In fact they argued so much that they couldn't get the train to Pittsville on time because that s what people expected and why do things differently Their story would have continued in the same old way except for one thing Edgar started to talk What does one do about THAT the crew argued Trains are supposed to be QUIET But Edgar was soon to prove that he had a mind of his own Time to do something different Edgar told them and then snorted twice through his smokestack Time to learn a new way Edgar as it turned out could make his own track He could go up or down or sideways and spin around the world in the most remarkable way Together he and his crew visited
