Cinema at the Margins Wheeler Winston Dixon,2013-12-01 More and more just a few canonical classics such as Michael Curtiz s Casablanca 1942 or Victor Fleming s Gone With The Wind 1939 are representing the entire film output of an era to a new generation that knows little of the past and is encouraged by popular media to live only in the eternal present What will happen to the rest of the films that enchanted informed and transported audiences in the 1930s 1940s and even as recently as the 1960s This collection of essays aims to highlight some of the lesser known treasures of the past those titles that have been pushed aside by today s wave of cinema amnesia
