The Lost King Brian K. Gaunt, 2013-09-27 Princess Juliennes heart was torn asunder for him that was her True Love had disappeared The Kingdom was being torn apart and only with their marriage would the land be made whole The Princess was in such grief and sorrow that she did what she should not have She made a deal with him that was called the Legendary One for all knew his demands were not always what one truly wanted She did indeed however make a Pact with him He brought her True Love away from the one who did capture him He did not return her love to her Rather he made her wait until the time when the future King would once again be needed Do to their love which transcended time itself did the Legendary One make her not change but she was instead made to forget who he was to protect him He who was saved due to the Legendary One made him Lost to all even unto himself for eons they were lost to each other The Legendary One had made her unchanged throughout the eons He made her think he was not there He who was now called the Lost King however was there unknown to himself and all others He was there throughout the eons there protecting her *The Lost King* Philippa Langley, Michael Jones, 2013-10-22 The official inside story of the discovery of the bones of Richard III now a major motion picture starring Sally Hawkins and Steve Coogan The mystery of who Richard III really was has fascinated historians readers and audiences familiar with Shakespeare's dastardly portrait of a hunchbacked monster of royalty for centuries In 2012 the remains of a man with a curving spine who possibly was killed in battle were discovered underneath the paving of a parking lot in Leicester England Philippa Langley head of The Richard III Society spurred on by the work of the historian Michael Jones led the team of who uncovered the remains certain that she had found the bones of the monarch When DNA verification later confirmed that the skeleton was indeed that of King Richard III the discovery ranks among the great stories of passionate intuition and perseverance against the odds The news of the discovery of Richard's remains has been widely reported by the British as well as worldwide and was front page news for both the New York Times and The Washington Post Many believe that now with King Richard III's skeleton in hand historians will finally begin to understand what happened to him following the Battle of Bosworth Field twenty miles or so from Leicester and ultimately to know whether he was the hateful unscrupulous monarch of Shakespeare's drama or a much more benevolent king interested in the common man Written in alternating chapters with Richard's 15th century life told by historian Michael Jones author of the critically acclaimed *Bosworth 1485* contrasting with the 21st century eyewitness account of the search and discovery of the body by Philippa Langley *The Lost King* will be both an extraordinary portrait of the last Plantagenet monarch and the inspiring story of the archaeological dig that finally brings the real King Richard III into the light of day *The Lost King of France* Deborah Cadbury, 2003-04-01 Cadbury lays out in fascinating detail the historical mystery of the royal heir and uses modern science to try to solve it The Wall Street Journal In 1793 when Marie Antoinette was beheaded at the guillotine during the French Revolution she left her adored eight year old son Louis Charles imprisoned in the Temple Tower Far from inheriting a

throne the orphaned boy king had to endure the hostility and abuse of a nation Two years later the revolutionary leaders declared Louis XVII dead No grave was dug no monument built to mark his passing Immediately rumors spread that the prince had in fact escaped from prison and was still alive Others believed that he had been murdered his heart cut out and preserved as a relic As with the tragedies of England's princes in the Tower and the Romanov archduchess Anastasia countless brothers soon approached Louis Charles's older sister Marie Therese who survived the revolution They claimed not only the dauphin's name but also his inheritance Several princes were plausible but which if any was the real heir to the French throne The Lost King of France is a moving and dramatic tale that interweaves a pivotal moment in France's history with a compelling detective story that involves pretenders to the crown royalist plots and palace intrigue bizarre legal battles and modern science The quest for the truth continued into the twenty first century when thanks to DNA testing the strange odyssey of a stolen heart found within the royal tombs brought an exciting conclusion to the two hundred year old mystery of the lost king of France A winning and highly readable account of the French Revolution Publishers Weekly *Shadow of a Lost King* Pasquale De Marco, Journey to the heart of Gwynedd a kingdom steeped in ancient legends and hidden truths where the fate of a lost king holds the key to its redemption In the annals of Gwynedd's history there is a tale that has been whispered for centuries a story of a prince stolen from his rightful throne a prince whose disappearance plunged the kingdom into chaos and despair He was Prince Emyr the beloved heir snatched from his crib in the dead of night his fate unknown The king Maelgwyn the Wise launched a desperate search for his missing son sending his loyal knights to every corner of the realm Yet despite their tireless efforts no trace of the prince could be found As the years turned into decades hope dwindled and the kingdom was left to mourn the loss of its future ruler Now as the kingdom faces new threats and challenges the legend of the lost king resurfaces a beacon of hope in the hearts of Gwynedd's people Prophecies foretell his return a return that will herald a new era of peace and prosperity for the realm Follow the quest to uncover the truth behind the lost king's disappearance a quest that will take you through treacherous forests ancient ruins and the shadowy corners of Gwynedd's history Unravel the secrets of a forgotten prophecy encounter enigmatic characters with their own hidden agendas and witness the rise of a hero destined to fulfill a legendary destiny In this captivating exploration of Gwynedd's rich history and culture you will discover the resilience of a kingdom the power of hope in the face of adversity and the enduring legacy of a lost king who may yet return to save his people If you like this book write a review [The Lost King of England](#) Gabriel Ronay,1989-12-07 In 1016 two English princes rightful heirs to the throne were banished to the continent This book chronicles the lost years in eastern Europe of one of the princes Edward his eventual return to England and his death

King John. King Lear. Troilus and Cressida. Titus Andronicus. Othello William Shakespeare,1807 *The Chronicles of Elveria and The Journey of The Lost King* James Mark,2022-04-24 Explore the world of Elveria a land of magic and mysticism experience all the chaos and wonder the world of Elveria has to offer spread across multiple generations of characters Follow Arith s story every step of the way and be part of his journey as the lost king from his tragic departure to his fateful yet peculiar return **Digging for Richard III: The Search for the Lost King (Revised and Expanded)** Mike Pitts,2015-09-08 As gripping as any detective fiction Proof that one doesn t need to be fascinated with Richard III to be enthralled by the story of his body s discovery Publisher s Weekly In August 2012 a search began and on February 4 2013 a team from Leicester University delivered its verdict to a mesmerized press room and to the world they had found the remains of Richard III whose legacy was perhaps the most contested of all British monarchs Prior to this major discovery there had been little new information about Richard III for some time With no new evidence to fuel it the debate over what kind of man he might have been seemed to have stalled Thus the story of the discovery of Richard III is a story of the value of archaeology careful analysis of physical evidence backed up by the latest science and technology and how it can change our understanding of history Firsthand accounts from the team that found the king along with photographs from the author s own archives and an expanded epilogue incorporating new DNA evidence augment this compelling detective story as the evidence is uncovered *The King Not Lost* Hamid Karima,2013-07 The King Not Lost is a historical legend that tells of a
